4.4 The Board understands that in the formative years of a school certain leeway and flexibilities are necessary to build it. The Board recognizes that for GDPSC’s schools to succeed the Board and AMU must maintain fluid communication and a willingness to work out issues and concerns with students’ interests at the basis of each decision.

Article V – AMU Rights

5.1 AMU has the right under the Educational Employment Relations Act to represent bargaining unit members in their employment relations with the Board. Nothing in this Agreement shall be construed as a waiver of such rights.

GDPSC and Site Administration shall not schedule activities requiring the presence of AMU members during the period from 3:30 to 5:00 PM on the First Monday of each month. 5.9 Newly Hired Employee Contact Information

Article VI – Work Year And Hours of Employment

6.1 Work Year

Subject to section 26.1 of Article 26, the Unit Members will work up to one hundred ninety-three (193) days to include one hundred eighty-three (183) days of instruction, and ten (10) pupil free days. New unit members may have five (5) additional pupil free days.

6.1.1 Counselor Flex Calendar

Recognizing that a counselor's duties may require work outside of the work year scheduled for other unit members, each counselor and his/her principal may mutually agree on a flexible work calendar ("Flex Calendar") to address such needs. Counselors shall work the same number of days as other unit members during each school year (i.e., from July 1 to June 30). Flexible workdays may only be provided for purposes of attending college tours for students outside of the work year scheduled for other unit members and preparing a school's master calendar during Summer Break.

6.1.1.1 For each scheduled day attending a college tour outside of the work year scheduled for other unit members, the counselor will receive one flexible workday (i.e., a 1:1 ratio).

6.1.1.2 A principal may permit up to five flexible workdays for work during Summer Break for purposes of preparing a school's master calendar. For any additional time needed to prepare a school's master calendar, including during Winter Break, the counselor shall be paid at his/her hourly rate.

6.1.1.3 A Flex Calendar must be documented and signed by the counselor and his/her principal by the first Monday in June the following school year and filed with Human Resources and shared with the AMU E-Board. Should no mutual agreement be reached by the first Monday in June, the counselor will work the same schedule as other unit members.

6.2 Work Day

6.2.1 The professional workday shall include the student day, staff meetings and time needed for preparation. For periods during which teachers are scheduled to teach, teachers shall be present in their classroom to meet and greet students and be prepared to teach before instruction is scheduled to commence. When unavoidable delays arise (e.g., use of restroom, required meeting with a student or administrator, etc.) teachers shall adhere to protocols recommended by the School's Culture Team or designated group. Unit members shall also notify the administration (via the School's designated process) when leaving campus during the school day.

Once or twice a week, as recommended by the School Site Calendar Committee and approved by GDPSC, students will have a shortened day while teachers meet and plan together for an allotted amount of time set by each site. A committee made up of site administrators and teachers will create the staff development calendar for these meetings. Grade level and department meetings will each occur at least once per month and will be focused on collaboration and the needs of the grade level or department as determined by school site leadership committees in collaboration with school site administrators. If meetings are held in the morning, teachers will be released a reasonable amount of time before the start of school. In addition, staff meetings may be called after school to take up school business that was otherwise not completed in the regularly scheduled meetings. It is at the discretion of the principal to cancel these meetings. If appropriate according to administration, such meetings may offer an electronic participation option. When professional duties require a counselor to work substantially beyond the professional work day for issues related to student health and/or safety, then scheduling accommodations will be mutually agreed upon between the Principal and the counselor, upon request by the counselor. The agreed upon accommodation will be documented using a form from the appropriate Appendix and signed by the counselor and administrator and filed with the area Superintendent and Human Resources.

- 6.2.2 For schools that utilize a schedule with six (6) academic periods, each fulltime teacher will be given the equivalent of 1/6 of the academic class schedule devoted to preparation time. For schools which utilize a schedule with seven academic periods, each fulltime teacher will be given the equivalent of 1/7 of the academic class schedule devoted to preparation time.

One (1) 90-minute collaboration period (“Collaboration Period”) per month will be given to teachers, providing individual planning time for auxiliary or non-academic classes (including but not limited to advisory, guidance, seminar, etc.). A Collaboration Period is a period during the typical school day where students are not in teacher supervised classes, and is typically established through an early release or late start time on the student schedule. In order to ensure that all teachers receive this monthly allocation of planning time.

Calendar Committees are required to schedule at least one 90-minute Collaboration Period per month, except as noted below. For August, December and June, due to the unique nature of the start of the school year and the end of each semester, the Collaboration Period given to teachers for individual planning time will be limited to 45 minutes. Unit members teaching a 50% or greater schedule shall receive a pro-rated amount of preparation time. While the goal is that preparation time is provided on a regular basis, it is understood by the parties that variations in the provision of preparation time may occur from site to site. Preparation time includes pupil free time during the workday excluding professional development and staff meeting times. Preparation time is not for personal business or conducting personal appointments.

- 6.2.3 For full-time unit members, there will be a duty-free lunch period that is equivalent to that of the students but not less than 30 minutes. Supervisor and counselor shall agree upon a duty-free lunch period.
- 6.2.4 Unit members who travel from one school to another on a regular basis shall have the same rights to a planning/preparation period, lunch period, and physical relief breaks as do other unit members. Adequate time to travel between sites shall be provided. Further, unit members shall be reimbursed for actual miles driven between sites at the current IRS mileage rate.

Article VII – Savings

- 7.1 If any provision of this Agreement is held to be contrary to law by a court of competent jurisdiction, then such provisions shall not be deemed valid and subsisting, except to the extent permitted by law; but all other provisions or applications shall continue in full force and effect.
- 7.2 It is further agreed that within twenty (20) days of receipt of notification of the court’s decision, negotiations shall commence regarding matters related to such provision.

Article VIII – Statutory Changes

- 8.1 Improvements in benefits included in this Agreement which is brought about by the amendment or addition of statutory guarantees now provided in California or federal law

shall be incorporated into this Agreement.

- 8.2 Reduction or elimination of benefits which are brought about by the amendment or repeal of statutory guarantees incorporated into this Agreement shall obligate the parties within ten (10) days of such amendment or repeal to negotiate whether or not such amendments or repeals shall be incorporated into this Agreement. Absent an agreement, no reduction or elimination of statutory guarantees of benefits included in this Agreement shall apply.

Article IX – Professional Responsibilities

- 9.1 It is understood and agreed that AMU retains the power and authority to lead students to academic success; work collaboratively and team teach; participate in school leadership and parent outreach; and organize students toward community service. To the extent possible input from the Board will be considered for all issues when appropriate.
- 9.2 AMU retains the right to question policies and decisions and will expect, in situations where mistakes are made, that remedies will be discussed and worked out for future so that mistakes will not be repeated. AMU understands that in the formative years of a school, certain flexibilities are necessary to build a school. AMU recognizes that for GDPSC to succeed AMU and the Board must maintain fluid communication and a willingness to work out issues and concerns with students' interests at the basis of each decision.

Article X – Discrimination

- 10.1 The Board will comply with all applicable state and federal law regarding discrimination and will maintain a comprehensive process to ensure any employee with a complaint or concern may bring such matters to the School's attention for resolution. Further, nothing in this Article shall constitute a waiver of a unit member's rights to process a discrimination claim through an appropriate government agency, or a court of competent jurisdiction.
- 10.2 Application forms and oral interview procedures shall not refer to membership in or preferences for employee organizations.

Article XI – Maintenance of Standards

- 11.1 The Board shall not unilaterally reduce or eliminate any benefits or professional advantages, which were enjoyed by unit members as of the effective date of this Agreement.
- 11.2 This Agreement shall supersede any rules, regulations, or practices of the Board, except as provided in Section 11.1 above, which are, or may in the future be, contrary to or inconsistent with the express terms of this Agreement.
- 11.3 The parties to this Agreement shall not interpret or apply this Agreement, any of its terms, or the work rules, which implement this Agreement in a manner that is arbitrary, capricious, or discriminatory.

11.4 The parties shall administer this Agreement, all its terms, and the work rules, which implement this Agreement with uniform application and effect taking into account all relevant facts and circumstances. The parties shall treat all bargaining unit members equitably in the interpretation of this Agreement, its terms, and the work rules, which implement this Agreement.

Article XII – Modification or Waiver of Provisions

12.1 The Parties to this agreement recognize that there may exist circumstances where specific modifications or waiver of provisions may be mutually deemed desirable. Such agreements to modify or waive provisions shall be specific as to the provisions affected, set forth in writing, signed and dated by the parties.

Article XIII – Grievance Procedures

Green Dot encourages free and open communication from employees and other individuals and groups within the community regarding compliments, suggestions, questions, and complaints about any part of the school program or any Green Dot employee

13.1 Definitions

13.1.1 A “grievance” is a claim by one or more unit members or the Asociación that there has been a violation, misinterpretation or misapplication of a provision of this Agreement, a violation of the right to fair treatment, or a violation, misapplication, or misinterpretation of any Board policy, or regulation.

13.1.2 The “grievant” is the unit member, unit members, or the Asociación making the claim.

13.1.3 For purposes of this Article XIII, a “work day” is a day in which Green Dot’s Home Office is open for regular business.

13.2 Rights of Representation

A grievant may be represented at all stages of the grievance by an Asociación representative(s).

13.3 No Reprisals

No reprisals of any kind will be taken by the Board or by any member or representative of the administration or the Board against any grievant, any party in interest, any bargaining unit member, the Asociación, or any other participant in the grievance procedure by reason of such participation.

13.4 Procedures

If a unit member has a grievance, it helps to bring it to the attention of the correct people. In general, if a unit member has a grievance that does not involve discrimination or harassment, the unit member should communicate first with the school and then with the

appropriate person in the GDPSC administration. Should a “work day” fall upon a day in which unit members are on a scheduled break (i.e., Summer, Winter, and Spring Breaks), the grievant and Green Dot may agree mutually to toll the timelines set forth in this Article 13.4 until the unit member returns from the scheduled break. Please follow the steps below:

Informal Level

13.4.1 Every effort should be made to resolve the grievance informally between the grievant and the supervisor involved. A conference between the grievant and the supervisor shall take place within ten (10) work days of the occurrence or omission which caused the grievance.

Level One: Principal

13.4.2 If the grievance is not resolved with the grievant, a concise summary of the grievance shall be submitted to the principal in writing within ten (10) work days from the initial conference, detailing the article or articles of the contract allegedly violated and any supporting documents or materials. A conference shall take place within ten (10) work days of submission of the grievance summary. A written response will be returned by the principal within ten (10) work days of the conference.

Level Two: Chief Academic Officer or Designee

13.4.3 If the grievance is not resolved with the grievant, the grievant may appeal to the Chief Academic Officer or designee within ten (10) work days from the date of receipt of the principal’s written responses. The Chief Academic Officer will then facilitate another meeting to attempt to resolve the grievance. Resolution of the grievance will be discussed, and a written response will be returned within ten (10) work days of the conference.

Level Three: Mediation

13.4.4 If the grievance is not resolved with the grievant, within ten (10) work days of the date of GDPSC’ Level Two written response, either party may request that a conciliator/mediator from the California State Mediation & Conciliation Service or any other mutually agreeable dispute resolution center, be assigned to assist the parties in the resolution of the grievance.

13.4.5 Unless impractical, the mediator, within ten (10) work days of the request shall meet with the parties for the purpose of resolving the grievance.

13.4.6 If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the parties. This agreement shall be nonprecedential and shall constitute a settlement of the grievance.

13.4.7 All costs for the services of the conciliator/mediator, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost, if any, of a

conference room, shall be borne equally by GDPSC and AMU. All other costs, except for released- time for the grievant(s), AMU representative(s), and witnesses, shall be borne by the party incurring them.

Level Four: GDPSC's Board's Executive Committee or Designee

13.4.8 If the grievance is not resolved with the grievant, the grievant may appeal to the GDPSC's Board's Executive Committee or, if determined by the Executive Committee, its designee (e.g., Designated Discipline Appeal Committee). The Executive Committee or designee will facilitate a meeting in an attempt to resolve the grievance. This meeting is not an evidentiary hearing. In the event that the issue cannot be resolved by GDPSC's Board's Executive Committee within thirty (30) days of the conference, the grievance may be taken to arbitration as detailed in Article 13.4.9.

Level Five: Binding Arbitration

13.4.9 In the event that the grievance is taken to arbitration pursuant to Article 13.4.8, the parties shall seek an arbitrator from the State Mediation and Conciliation Service.

13.4.10 The decision of the arbitrator shall be submitted to AMU and GDPSC and will be final and binding upon the parties. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after she/he has had an opportunity to hear the merits of the grievance.

13.4.11 All costs for the services of the arbitration, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost, if any, of a hearing room, shall be borne equally by GDPSC and AMU. All other costs, except for released-time for the grievant(s), AMU representative(s), and witnesses, shall be borne by the party incurring them.

13.5 Miscellaneous

13.5.1 AMU, either in its own behalf or in behalf of more than one affected unit member, may initiate a grievance at 13.4.1.

13.5.2 If a grievance arises from action or inaction of GDPSC at a level above the principal, the grievant shall submit such grievance in writing directly to the Vice president of Human Capital.

13.5.3 When it is necessary for a representative designated by AMU to investigate a grievance or attend a grievance meeting or hearing during the day, she/he shall be released without loss of pay in order to permit participation in the foregoing activities. Any unit member who is requested to appear in such investigations, meetings, or hearings as a witness will be accorded the same right.

13.5.4 Except for disciplinary records and attachments deemed valid by an arbitrator, all documents, communications and records dealing with the processing of a grievance

shall be filed in a separate grievance file and will not be kept in the personnel file of any unit member.

13.5.5 Upon mutual agreement of AMU and GDPSC, a grievance may be taken directly to conciliation/mediation.

Article XIV – Safety Conditions

- 14.1 Unit members shall be responsible to report, in writing to their immediate supervisor any unsafe, hazardous, unhealthy, or potentially dangerous working condition. A response will be provided to the unit member within a time frame, which reflects the urgency of the concern, but in no event later than two weeks.
- 14.2 GDPSC shall assume the responsibility to investigate all conditions, which are reported to be unsafe, hazardous, unhealthy, or potentially dangerous and shall take necessary steps to have the conditions remedied. GDPSC shall institute such emergency safety precautions as deemed necessary.
- 14.3 Unit members who elect to drive students on an extra-curricular field trip shall have the prior approval of the principal. All drivers shall present a valid driver's license and proof of liability insurance. As required by State Law, in case of an accident the driver's insurance shall be primary; GDPSC's insurance shall be secondary.
- 14.4 Unit members shall continue to assume liability for their own vehicles.
- 14.5 Should a unit member's vehicle be damaged or stolen on school property, GDPSC will reimburse the unit member up to the amount of their deductible or \$500, whichever is lesser. The burden of proof for demonstrating that the damage occurred on school property shall rest on the unit member.
- 14.6 Personal property, which is to be used within the classroom for instructional purposes, must be registered in the school office and authorized by the administrator in charge before being brought onto the campus. All such items must be insured by the unit member. GDPSC will be responsible for damages or theft to said items up to the amount of the insurance deductible.
- 14.7 Unit members shall immediately report cases of assault or attacks suffered in connection with their employment to their principal or assistant principal and to the local law enforcement. There shall be no reprisals to the unit member for making reports to law enforcement. The Board or designee shall comply with any reasonable request from the unit member for information in the possession of the Board relating to the incident or the persons involved and shall act in appropriate ways as liaison between the unit member, local law enforcement and the courts.
- 14.8 In responding to disruptive persons on campus, unit members may request GDPSC to take appropriate action to eliminate such disruption. Such action to be taken shall be in the discretion of GDPSC but may include ouster (removal) measures or possibly injunctive (restraining order) relief.

14.9 Unit members will be notified of any known instances of the following for students assigned to their individual caseloads/teacher rosters: pending or current suspension or expulsions, or any criminal convictions involving threat of violence or violence. When a pupil has been referred to a school's administrative office by a unit member for behavior that is physically dangerous or repeatedly disruptive, which cannot be addressed through appropriate classroom management and intervention strategies, an administrator or designee shall contact the unit member to explain any steps that were taken by the administrator or designee and discuss returning the pupil to the classroom prior to the pupil's actual return to the classroom.

14.9.1 Student Discipline Matrix and Referral Process

Prior to the first day of instruction and prior to the second Friday in January, the Student Discipline Matrix and referral process shall be shared with the staff.

14.10 Safety Committee

14.10.1 A GDPSC Safety Committee ("Committee") shall be established and convene no less than quarterly each school year to review and make recommendations to GDPSC regarding safety concerns, policies, and related protocols. The first quarter meeting shall occur no later than thirty (30) days following the commencement of the school year.

14.10.2 AMU shall be entitled to up to four (4) representatives, two (2) representatives from GDPSC middle schools and two (2) representatives from GDPSC high schools on the Committee, and the following stakeholders shall be offered membership on the Committee: two (2) ACEA representatives; GDPSC's Chief Business Officer or designee; GDPSC's Security Manager or equivalent position; two (2) school site administrators; and a GDPSC Area Superintendent. The parties may add members to the Committee as mutually agreed upon by AMU and GDPSC. Following the Committee meetings each quarter, minutes for such meetings shall be distributed to the AMU Executive Board within five (5) working days, and AMU Site Representatives and Administrators shall meet to discuss implications for their school sites at their next regularly scheduled monthly administrator/site-representative meetings.

14.10.3 Each comprehensive school safety plan and related materials shall be annually distributed to the Committee and unit members, prior to the first day of instruction each day. Prior to the first day of school, each school shall provide professional development regarding the comprehensive school safety plan.

Article XV – Class Size

15.1 The Board shall maintain a staffing ratio of no more than twenty-four (24) pupils to one full time classroom teacher.

15.2 While a discussion of possible amelioratory measures may occur at any time, if any individual class exceeds thirty-three (33) students (or any intervention classes as defined herein that

exceed 27) for 20 consecutive school days, there shall be a conference between the affected teacher and the principal. Through this dialogue amelioratory measures will be offered (unless declined by the unit member), e.g., lower class sizes in other sections, instructional aide support, limited adjunct supervisory duties, additional curricular support materials, stipends or other ideas which may come into the discussion. Appendix C will be signed by both parties and filed with Human Resources and AMU.

An intervention class is defined as a Math or Literacy support class. For stipends as referenced herein, the stipend amount is based on the contractual teacher hourly rate of \$45.00 or a maximum of \$360.00. This stipend may be provided each semester and may be nullified if the class size does not exceed the contractual cap after a semester.

- 15.3 Based on the GDPSC board approved enrollment in each campus' budget, if any high school counselor case load exceeds 350 students, there will be a conference between the affected counselor and the principal. If any middle school counselor caseload exceeds 400 students, there will be a conference between the affected counselor and principal. Through this dialogue amelioratory measures shall be offered (unless declined by the unit member). Due to the site-specific differences, the parties understand that amelioratory measures offered may vary from site to site.

Article XVI – Organizational Security

16.1 Dues Deduction

16.1.1 The right of payroll deduction for payment of membership dues, initiation fees, and general assessments shall be accorded exclusively to AMU. AMU shall provide written notice of all member names and amounts to be deducted to GDPSC, and GDPSC shall make all necessary deductions. Membership dues, initiation fees, and general assessments shall be increased or decreased upon written notification from AMU to GDPSC with a copy of the notification of the change which was sent by AMU to the affected employees.

16.1.2 Any unit member who is a member of AMU or who has applied for membership may sign and deliver to AMU authorization for deduction of membership dues, initiation fees, and general assessments of AMU. Pursuant to such authorization, GDPSC shall deduct the amounts specified by AMU. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

16.1.3 With respect to all sums deducted by GDPSC pursuant to Section 16.1.2 above, GDPSC agrees to remit such moneys promptly to CTA accompanied by an alphabetical list of unit members, including their names, addresses, and work locations for whom such deductions have been made, and indicating any changes in personnel from the list previously furnished.

16.2 Information

AMU and GDPSC agree to furnish to each other any information needed to fulfill the

provisions of this Article.

16.3 Indemnification

AMU shall indemnify, defend, and hold harmless GDPSC for any court action, administrative action, or claim regarding payroll deductions (including the amount of such deductions) made pursuant to this Article.

Article XVII – Discipline

17.1 **Employment Rights:** Except for substitutes or temporary employees as described herein, no regular unit member shall be disciplined, non-renewed, dismissed, reduced in rank or compensation without just cause.

17.2 **Coaches, Substitutes & Temporary Employees:** Coaching assignments, substitutes and temporary employees are hired on an at-will basis and are not subject to these just cause procedures. Employees serving as substitutes (90 consecutive days or less per school year) or temporary (serving over 90 consecutive days in a school year) employees are defined as employees hired and assigned to cover absences of regular employees or to cover unexpected vacancies which occur during the school year. Such substitute/temporary assignments utilized to cover absences/vacancies during the school year shall not extend beyond the school year in which they are made.

When a temporary teacher is utilized for at least 75% of a school year and hired in the following school year, he or she shall be hired as a regular employee.

Following 30 days of employment as a temporary employee, pursuant to Article XVI Organizational Security, such employees shall become members of AMU, except that such employees (during temporary status) shall not be afforded just cause discipline rights as stated above, the work year provisions of Article VI, Article XX Assignments, Article XXI Evaluation, Article XXV Leave Provisions and Article XXVII Layoffs. Temporary employees will receive one day of sick leave for each month served. At a minimum, GDPSC administration shall conduct an informal observation of each temporary employee and provide feedback every eight weeks.

17.3 **Just Cause Process:** As such, GDPSC retains the right to discipline unit members provided its reason is based upon just cause (including progressive discipline), as specified herein. The following are just causes for discipline that include but are not limited to:

17.3.1 Unsatisfactory performance as defined by this Agreement's article concerning evaluation;

17.3.2 Dishonesty, including any falsifying of employment records, employment information, or other school records;

17.3.3 Theft or deliberate or careless damage or destruction of any school property, or the property of any employee or student;

- 17.3.4 Possession of any firearms or any other dangerous weapons on school premises at any time;
- 17.3.5 Possession or use of any intoxicant on school grounds, including alcohol or controlled substances (unless such substances are supported by a valid prescription);
- 17.3.6 Conviction of any felony or crime of moral turpitude;
- 17.3.7 Insubordination, including but not limited to failure or refusal to obey the orders or instructions of a supervisor or member of management;
- 17.3.8 Absence without leave or abuse of leave privileges;
- 17.3.9 Unprofessional conduct;
- 17.3.10 Violating any safety, health, security or school policy, rule, or procedure or engaging in any conduct which risks injury to the employee or others;
- 17.3.11 Committing of or involvement in any act of unlawful harassment of another individual;
- 17.3.12 Failure to maintain appropriate credential(s) required for the position;
- 17.3.13 Abandonment of position.

17.4 Progressive Discipline: Absent egregious conduct, GDPSC shall utilize a discipline process which includes the following progression: verbal warning; written warning; written reprimand; suspension without pay; and termination.

17.4.1 Verbal Warning

A verbal warning may result in a written summary thereafter by the administrator. In such instances, the summary shall confirm the matter is a verbal, not a written warning. This written summary shall not be entered into the unit member's personnel file unless in the event of subsequent discipline, the matter is referenced by GDPSC.

17.4.2 Written Warning

A written warning may be issued when the verbal warning fails to bring about the proper conduct. Within ten (10) work days of receipt of the written warning, the employee has the right to provide a written response which shall be attached to warning.

17.4.3 Written Reprimand

Unless conduct warrants a written reprimand in the first instance, a written

reprimand shall not be used unless the employee has been warned about similar actions within the last four (4) preceding years. Within ten (10) work days of receipt of the written reprimand, the employee has the right to provide a written response which shall be attached to the reprimand.

17.4.4 Suspension Without Pay

Suspension may be without pay but shall not reduce or deprive the employee of seniority or any other benefits. Any suspension shall not exceed fifteen (15) work days.

17.5 Discipline Without Progression: Nothing in this Article shall prohibit the use of a more serious discipline consequence in the first instance (violation) when an offense so warrants. Specifically, a unit member may be suspended without pay or dismissed from employment in instances where the offense is serious or egregious.

17.6 Suspension or Dismissal Process: Suspension without pay or dismissal for all other offenses shall be initiated in writing by the Vice President of Human Capital providing Notice of Recommended Discipline (“Recommendation”) and serving such Recommendation upon the unit member in person or by certified mail. The Recommendation shall contain a statement, in ordinary language, of the factual basis upon which the disciplinary action is based, any rule or regulation alleged to have been violated, and the proposed penalty. The unit member shall also be given a copy of any documentary materials upon which such action is based and a statement of the unit member’s right to respond, verbally and in writing, within five (5) working days prior to the proposed discipline being imposed, unless by agreement of both the Vice President of Human Capital and the employee, this deadline is extended. Following this period, the Vice President of Human Capital may provide Notice of Discipline to be served upon the unit member in person or by certified mail.

17.7 Appeal of Suspension: For suspensions without pay, the Notice of Suspension shall be final. If the unit member wishes to grieve the suspension, he or she may request a meeting with the Chief Academic Officer (“CAO”) pursuant to the procedures below (see Appeal of Dismissal) but such meeting will constitute the initiation of the grievance process. If the employee chooses to be accompanied by legal counsel and/or an AMU representative at such meeting, the employee shall bear any cost therein involved. If the unit member is not satisfied with the decision of the CAO, within ten (10) work days, he or she may then directly proceed to the grievance procedures commencing with Article 13.4.4 (Mediation).

17.8 Appeal of Dismissal: If the unit member wishes to appeal the imposition of a dismissal action, the appeal must be filed with the CAO within ten (10) work days from the time the Notice of Dismissal is served on the employee. The appeal must be made in writing and delivered to the office of the CAO.

Upon appeal, the employee shall be entitled to appear personally before the CAO or

designee to present any evidence or testimony to contest the Notice of Dismissal. This appeal to the CAO or designee is not an evidentiary hearing. If the employee chooses to be accompanied by legal counsel and/or an AMU representative at such meeting, the employee shall bear any cost therein involved. The employee shall be provided a written decision setting forth the decision of the CAO.

The CAO or designee shall render a written decision within ten (10) work days of the completion of the hearing. If the unit member is not satisfied with the decision of the CAO, within ten (10) work days, he or she may then directly proceed the grievance procedures commencing with Article 13.4.4 (Mediation).

- 17.9 Reference to or Reliance upon the Education Code:** The parties expressly agree that the Education Code provisions for certificated discipline (suspension or dismissal) and interpreting case law do not apply to GDPSC.

Article XVIII – Retirement

- 18.1 All unit members shall be participants in the State Teachers Retirement System.

Article XIX – Subcontracting

- 19.1 The parties to this agreement recognize that the duties and work performed by the bargaining unit described in Article II above shall be performed only by unit members and shall not be subcontracted or otherwise transferred out of the bargaining unit
- 19.2 Any changes to this provision shall be subject to the meeting and negotiating process described in the Educational Employment Relations Act.
- 19.3 The appropriateness of the placement of any newly created position shall first be discussed by the parties and then subject to the unit clarification provisions of the Educational Employment Relations Act.
- 19.4 The parties recognize that this article is intended to preserve work currently performed by members of the bargaining unit and to provide a process to determine appropriate placement of newly created positions. Nothing in this article is intended to change current GDPSC practices regarding the hiring of employees.

Article XX – Assignments and Transfers

20.1 Definitions

An “Assignment” is the placement of a unit member in a course for which they hold an appropriate credential.

A “Re-assignment” is the movement of a unit member from one course or subject area to another or from one grade level to another.

A “Transfer” is move from one Green Dot School Site to another. The transfer may involve a change in grades or subject area as long as the move involves changing worksite.

An “Incumbent unit member” is a currently employed, credentialed unit member.

A “Vacancy” is any position that does not have a unit member assigned to it. This includes any vacated, promotional or newly created position whose work is part of the bargaining unit.

20.2 Assignments

20.2.1 On or before January 15th of each year, the Board will distribute to all unit members a notice of intent to return. On or before February 14 of each year all bargaining unit members must sign a notice of intent to return in order to assure assignment with Green Dot for the following school year. Members who indicate that they do not intend to return may change their election until March 1st of each year and will be assured an assignment for the following year. The unit member and Green Dot may extend the March 1st deadline by mutual written agreement. The notice of intent to return may include a statement of preferred assignment for the following school year. Absent such a statement, the assumption is that the bargaining unit member desires to continue in their current assignment, and, if they have satisfactory evaluations, shall be so assigned.

20.2.2 In determining initial assignments for the following year for teachers desiring a change within their existing department the following procedure shall be followed.

On or before April 1st of each year, the Board shall provide each Department with the list of classes for the following year. Each Department shall meet to mutually determine initial assignments for the following year. The Department shall present the list of initial assignments to the principal on or before April 14th of each year, including any positions remaining open.

20.2.3 Following the posting of open positions and the initial hiring of new certificated personnel, the initial assignments may be reviewed. Department members will consult with the goal of reaching mutual agreement on final assignments for the following year.

20.2.4 In the event that mutual agreement is not reached in either of the preceding sections, the Board shall make the final determination on assignments using the following criteria:

- Legal requirements and qualifications
- Satisfactory evaluation
- Expertise and relevant experience

In the absence of substantial distinguishing differences in the above criteria, length of service at the site shall be the determining factor.

20.3 Reassignments

In determining initial assignments for the following year for teachers desiring a reassignment outside their existing department the following procedure shall be followed.

- The opening shall be posted as part of the open hiring process
- Preference shall be given to incumbent unit members with satisfactory performance and appropriate credentialing by the Hiring Committee.
- The Hiring Committee shall make a recommendation on hiring to the Board
- The Board will hire based on the recommendation of the Hiring Committee and the principal.

Unit members shall be notified of their final assignments for the next school year on or before June 1.

If a request for reassignment is denied, the unit member, upon request, shall be granted a meeting with the administrator who denied the request to discuss the reason(s) for the denial. Following the meeting the unit member shall, upon request, receive written reason(s) for the denial.

20.4 Voluntary Transfers

Requests for voluntary transfers for the upcoming school year shall be made as a part of the unit member's completion of the Notice of Intent to Return (Art. 20.2.1). After June 30 and upon the posting of a vacancy during the school year, a unit member may submit a request for transfer to occur within the same school year only with the approval of the Principal of the unit member's current school.

In determining whether to grant a request for a voluntary transfer, the following procedure shall be followed for unit members with at least a current "Effective" performance rating.

- Any unit member who has expressed an interest in, and is eligible for, a voluntary transfer will be provided access to a GDPSC platform that will be updated by GDPSC promptly once vacancies occur.
- Unit members seeking a voluntary transfer shall contact a Principal promptly to express interest in a vacancy, but in no event later than five work days from the date that the open position was posted to the GDPSC platform.
- An opportunity to interview shall be given to incumbent unit members with a current "Effective" performance rating and appropriate credentialing. The interview will include the following:
 - a meeting with the principal (unit member choice of either an in-person meeting or a teleconference) with questions provided by the Principal in advance;
 - a demonstration lesson (unit member choice of either an in-person meeting or a video submission); and
 - an in-person interview with the school's Hiring Committee as constituted in Article 31.5.
- In the instance of a first-year unit member or if a unit member's evaluation scores do not exist, GDPSC and AMU may waive the "Effective" performance rating

requirement.

- The Hiring Committee shall make a recommendation on hiring to GDPSC.
- GDPSC shall hire based on the recommendation of the Hiring Committee and the Principal.

Unit members who have less than a current “Effective” performance rating shall not be eligible for a voluntary transfer.

GDPSC shall, upon request of the unit member, deliver in writing, the reason(s) that the unit member was not selected to fill the vacancy.

20.5 Involuntary Transfers

Involuntary transfers may only be made for just-cause and if no qualified voluntary applicants come forward.

20.6 Vacancies

Upon knowledge of vacancies, GDPSC shall deliver to the Asociación and post at all work sites a list of all vacancies for the next school year that they are aware of. The list shall contain:

- A closing date, which is at least ten (10) working days following the posting date
- A job description
- Credentials and qualifications necessary to meet the requirements of the position

Unit members shall, upon request, be notified by mail of any vacancies which may arise during the summer recess or a period of leave. The unit member’s request must be in writing and must include a mailing address.

Vacancies shall be filled using the process described in section 20.3 above.

GDPSC shall, upon request of the unit member, deliver in writing, the reason(s) that the unit member was not selected to fill the vacancy.

20.7 Job Share Agreement

20.7.1 Job Share Defined: The Job Sharing Program is one in which two (2) employees share the full responsibilities of one (1) identifiable full-time position for an entire school year. The participants shall share a proportional division of the professional work day, which includes the school day, school week, or weekly instructional minutes, including professional development, based on the two employees’ proposal. Each job share assignment terminates at the end of the school year, and in the event such participants wish to job share again, a new proposal for the following year must be submitted and will be subject to the same conditions and requirements noted herein.

20.7.2 Review of Applications for Job Shares: Job share proposals for the following

school year shall be submitted no later than January 15, and such proposals will normally be evaluated prior to February 1. A decision with respect to the acceptance or continuance of a job share proposal will be made on or before March 1. A job share application (see Appendix E) shall be reviewed by the Principal unless there are multiple applications for the same site, in which case the procedures noted herein are utilized.

- 20.7.3 Minimum One (1) Year Commitment: Job share applicants must be willing to provide a written commitment to serve a minimum of one (1) year in the shared position. If, because of extenuating circumstances, one of the participants cannot continue in a part-time assignment during the school year, GDPSC is under no obligation to return the individual to a full-time assignment until the following year.
- 20.7.4 Job Share Written Agreements: Upon approval of a job share assignment, along with the school's Principal and GDPSC's Chief Operating Officer or designee, the participants will sign a separate agreement detailing plans for the job share assignment. This separate agreement will include the calculation of salary.
- 20.7.5 Minimum Conditions Required to Submit Proposal: Job share participants must be current AMU members, and cannot be brought in from outside GDPSC to participate. Participants must also have a valid credential as a job share will not be allowed when the participant only possesses a short-term staff permit, limited assignment permit, or any other temporary credentialing solution. Further, job share assignments shall only be filled by unit members who have jointly requested to work together.
- 20.7.6 Limitations On Number of Job Share Arrangements: No GDPSC school may approve more than two (2) job share arrangements at any time. In the event that more than two job share applications are received by a school for the same school year, a decision on which job share application will be approved will be made by GDPSC's Chief Operating Officer and Chief Talent Officer or their designee(s). This final decision will be made based on the information provided in the job share application along with consultation with the Principal.
- 20.7.7 Salary & STRS Contributions Prorated: During the job share arrangement, salary for the participants will be at the prorated share of the amount a Unit Member would have earned had the employee not elected to exercise the option to participate in job sharing. The contribution to STRS/PERS will be based upon the amount of salary actually earned by the participant.
- 20.7.8 Health Benefits: Job share participants have the option to receive full medical, dental, and vision benefits subject to the provisions in this subsection. If an employee serves 75% or greater of the job share assignment, he/she will be provided health benefits at the normal rate of a full-time GDPSC employee. If an employee serves less than 75% of the job share assignment, he/she will have the option to pay the difference of the required premium in order to retain

his/her health benefits. (For instance, if a Unit Member serves in a 60% job share assignment, that Unit Member must pay 40% of the required premium at the normal rate of a full-time GDPSC employee to retain his/her health benefits.)

If such benefits are waived by both job share participants in a job share assignment, each participant shall receive the then-current designated in-lieu payment for waiver of such benefits. If such benefits are waived by one (1) job share participant, the other job share participant in that particular assignment shall receive health benefits at the normal rate of a full-time GDPSC employee. (For instance, if a Unit Member who serves in a 60% job share assignment waives his/her health benefits, the Unit Member who serves in the corresponding 40% job share assignment may receive health benefits at the normal rate of a full-time GDPSC employee.)

20.7.9 Accrual of Sick Leave: Accrual of sick time will be the prorated share of the amount an employee would have earned had the employee not elected to exercise the option to participate in job sharing.

20.7.10 Coverage of Job Share Participant Absences: If an employee on shared assignment is absent, the other party, whenever possible and with the approval of the school's principal, will trade days with his/her partner or will agree to substitute for his/her partner in a regular substitute status at the regular substitute rate.

20.7.11 Required Participation in School Community: Each employee on a job share contract will be expected to fully participate in professional responsibilities such as, but not limited to, the following: departmental and grade level meetings; faculty meetings; professional development; parent/teacher conferences; Back to School Night; and Open House. Principals will further define the responsibilities with the job share participants.

20.7.12 Early Termination of Job Share Assignments: If, because of extenuating circumstances, one job share partner cannot continue in the job share assignment, one of the following shall occur:

- i. The remaining participant fills the previously shared position on a full-time basis;
- ii. A new partner, mutually agreeable to parties, replaces the non-continuing partner;
- iii. The remaining participant submits his/her resignation.

20.7.13 Possible Layoffs When No Position is Available: If no position at the school is available at the termination of a job share assignment, a reduction in force at the school may be necessary. In such instances, the two (2) job share participants shall be the first positions subject to the reduction. In the event further reduction in force is required, such reductions would be based on the criteria outlined in the

AMU contract. The possibility of a reduction in force will be considered prior to the execution of the Job Share agreement. If the agreement creates a hardship for the school in this regard, it may not be approved.

Article XXI – Multiple Measures of Effectiveness

21.1 Teacher Evaluation

Purpose

Every student deserves to be taught by an effective teacher. Research has shown that effective teaching is the most important school-based factor which can impact student learning. GDPSC is committed to the goal of ensuring that an effective teacher is in every one of our classrooms. To that end, GDPSC will develop effective educators through the use of a robust and multidimensional teacher evaluation system; this system will include comprehensive tools aimed at evaluating teachers, both in terms of determining their effectiveness and providing them with high quality, targeted supports and opportunities to engage in their own development.

Teacher evaluation is part of an ongoing process in which a teacher will reflect on their own practice in partnership and with coaching from an administrator. Teacher evaluation will help differentiate areas of growth and areas of strength for teachers. GDPSC will provide a range of supports to help teachers improve their practice and a teacher will be responsible for accessing and utilizing those supports to meet their career goals.

Measures Included in Teacher Evaluation

Throughout Article XXI, reference will be made to the College-Ready Teaching Framework (CRTF). *The College Ready Teaching Framework* is comprised of five domains. The domains were derived from Charlotte Danielson’s research-based *Framework for Teaching*, and adapted to align to the core values of all the collaborating charter management organizations of The College-Ready Promise. Each domain has several “standards,” and each standard has several “indicators.” Indicators are descriptors of practice that we know to be indicators of great teaching (See Appendix “B” for the College-Ready Teaching Framework.)

The Classroom Observation Measure All teachers will be placed into one of four groups based upon the eligibility criteria described below.

I. Group Placement

Group	1	2	3	4
Teachers	All first-year teachers in their first year of teaching at GDPSC	All second-year teachers in their second year of teaching at GDPSC	All third-year teachers in their third year of teaching at GDPSC OR A teacher in at least his/her fourth year of teaching at GDPSC with the prior school year’s	A teacher in at least his/her fourth year of teaching at GDPSC with the prior school year’s Summative Score** between a 3.0 and a 4.0

			Summative Score below a 3.0	
ON/OFF	One Semester	One Semester	One Semester	OFF Year
Semesters per school year	ON One Semester: OFF	ON One Semester: OFF	ON One Semester: OFF	Both Semesters: OFF ON Year: One Semester: On One Semester: OFF

- A. Group status shall not change if the teacher does not receive a Summative Score for the current school year or if the teacher was awarded a 3.0 or his/her prior year's Summative Score for the current school year.
- B. A teacher placed in Group 4 during the prior school year will remain in Group 4 unless his/her Summative Score falls below a 3.0 during an ON Year. If a Group 4 teacher's Summative Score falls below a 3.0, he/she will be placed in Group 3 for the following year.
- C. A teacher hired on or after December 1st may move into Group 2 in the following year, if he/she receives a Summative Score in the spring semester. If the teacher has an "Off Semester" in the spring semester, he/she will remain in Group 1 in the following year.
- D. Any teacher who is returning to a teaching position (after leaving the organization or leaving the teaching position) with a prior Summative Score will be placed in the group he or she would have been in, had he or she stayed within the position/organization, with the exception of Group 4. Any teacher who would have qualified for Group 4 ON upon returning to a teaching position will be placed in Group 3.

II. Applicable CRTF Indicators by Group

An evaluating administrator may discuss any aspect of a teacher's professional practice with the teacher being evaluated. However, Summative Scores will be calculated using the evenly weighted average of the following applicable CRTF indicators for each group:

III. The Observation Cycle: ON/OFF Semesters

A. On Semester

1. During the On Semester, the evaluating administrator shall conduct, in any order, two (2) Unscheduled Observations and one (1) Scheduled Observation. The results of these three observations will generate aggregated evidence that will be scored in summation for purposes of the Summative Conference at the end of the On Semester.
2. A teacher may suggest whether the On Semester occurs in either the fall or spring semester, but the teacher's evaluating administrator shall make the final decision.
3. If the On Semester occurs in the fall semester, the Scheduled Observation and Unscheduled Observations shall be preceded by an Informal Observation. After the initial Informal Observation, any other Informal Observations shall be conducted after the second Unscheduled Observation.

4. Informal Observations and Informal Observation Debriefs are not required when the On Semester occurs in the spring semester unless the teacher did not receive a minimum of three Informal Observations and Informal Observation Debriefs in the preceding fall semester. In such cases, the teacher's Scheduled Observation and Unscheduled Observations shall be preceded by an Informal Observation and Informal Observation Debrief, unless the teacher and his/her evaluating administrator agree to forego the Informal Observation and Informal Observation Debrief.
 5. If the On Semester occurs in a manner that prohibits the completion of a teacher's observation cycle, the teacher and administrator shall work together in good faith to reschedule missed observation cycle events to ensure completion of the observation cycle. If a teacher's observation cycle is still not complete solely as a result of administrative failure to meet required timelines, the teacher will be awarded a 3.0 or his/her prior year's Summative Score, whichever is greater.
 6. If a teacher is absent during the fall semester in a manner that prohibits the completion of his/her "On Semester" evaluation, the evaluating administrator shall conduct and/or complete his/her evaluation during the following spring semester. If a teacher is absent during the spring semester in a manner that prohibits the completion of his/her "On Semester" evaluation, the teacher shall not receive a Summative Score for that school year.
- B. Off Semester: During an Off Semester, a teacher's evaluating administrator shall conduct three (3) Informal Observations and no other elements of the Observation Cycle.
- C. Mid-Semester Hires: Teachers hired fewer than forty-five (45) days before the last day of the semester shall not be eligible to participate in an Observation Cycle for that semester.

IV. Elements of the Observation Cycle

- A. Informal Observation: Informal Observations are intended to support teachers in their efforts to improve, and are non-evaluative. Each Informal Observation is a minimum of fifteen (15) minutes and evidence from Informal Observations will not impact a teacher's Summative Score.
1. During an Informal Observation, the teacher's evaluating administrator shall reduce to writing observations of classroom instruction, dialogue, and activities related to all observable CRTF indicators (the "script" or "evidence").
 2. Shortly after an Informal Observation, the teacher's evaluating administrator shall share evidence with the teacher via EdReflect (GDPSC'

closed-circuit, online evaluation and support portal).

3. Within seven (7) work days following an Informal Observation, the teacher's evaluating administrator shall provide the teacher with one-on-one, in-person feedback on the evidence gathered during the Informal Observation (the "Informal Observation Debrief"). The Informal Observation Debrief may be replaced by an administrator-offered coaching service (e.g., data analysis, co-planning, role play, video analysis, or guided peer observation). Should the Informal Observation Debrief fail to occur as a result of administrative failure to meet the seven (7) work day timeline, the teacher shall elect either to: (a) receive the Informal Observation Debrief on a mutually agreed-upon date with the teacher's evaluating administrator; or (2) receive another Informal Observation with an Informal Observation Debrief on a mutually agreed-upon date with the teacher's evaluating administrator. Should the Informal Observation Debrief fail to occur as a result of extenuating circumstances, then the Informal Observation Debrief shall occur on a mutually agreed-upon date with the teacher's evaluating administrator.

B. Unscheduled Observation: An Unscheduled Observation is a twenty-five to thirty (25-30) minute observation that may occur in any class period the teacher is scheduled to teach. The evaluating administrator should observe a class for which the teacher is responsible for preparing the lesson. The teacher to be evaluated may suggest preferred periods in which to be observed; however, the evaluating administrator will make the final decision. Evidence from the Unscheduled Observation will be used to inform a Summative Score for the semester and the evaluating administrator may provide the teacher with sample ratings (i.e., not used for Summative Score) on CRTF indicators for which feedback is provided.

1. During an Unscheduled Observation, the teacher's evaluating administrator shall script.
2. Shortly after an Unscheduled Observation, the teacher's evaluating administrator shall align evidence to any observed CRTF Domain 2 and 3 indicators and share such evidence with the teacher via EdReflect.
3. Following an Unscheduled Observation, the teacher's evaluating administrator shall schedule an "Unscheduled Observation Debrief" to be held within seven (7) work days from the Unscheduled Observation. Each Unscheduled Observation Debrief shall last approximately fifteen to thirty (15-30) minutes, during which the evaluating administrator will provide targeted, CRTF indicator-aligned feedback.

C. Scheduled Observation

1. A Scheduled Observation lasts a minimum of forty-five (45) minutes.
2. Evidence from the Scheduled Observation will be used to inform a teacher's Summative Score for the semester.

3. The evaluating administrator shall provide the teacher with scheduling options for observation times. When feasible, the administrator and teacher shall coordinate the time for the Scheduled Observation.
4. At least four (4) work days prior to the Pre-Observation Conference (described below), the teacher shall upload to EdReflect a Green Dot Lesson Plan (“Lesson Plan”) created by the teacher that describes the lesson the teacher plans on implementing during his/her Scheduled Observation. The Lesson Plan template is available on Connect.
 - a. A teacher shall utilize the applicable CRTF indicators, as indicated in “Applicable CRTF Indicators by Group” above, when preparing his/her Lesson Plan.
 - b. The evaluating administrator shall use the teacher’s uploaded Lesson Plan to align evidence with all applicable CRTF Domain 1 indicators and share this evidence with the teacher no later than two (2) work days prior to his/her Pre-Observation Conference. The administrator will then determine scores for applicable CRTF Domain 1 indicators prior to the Pre-Observation Conference.
 - c. Prior to the Pre-Observation Conference, the teacher shall independently score the Lesson Plan based upon applicable CRTF Domain 1 indicators and share his/her scores with his/her evaluating administrator via EdReflect.
 - d. If a teacher fails to turn in a Lesson Plan within the timeframe described above, the teacher shall be given a score of “1.0” for all applicable CRTF Domain 1 indicators.
5. Each Scheduled Observation shall be preceded by a “Pre-Observation Conference”, which is an in-person review of the teacher’s lesson planning process.
 - a. The Pre-Observation Conference must be scheduled with at least ten (10) work days advance notice and occur no less than three (3) work days prior to the Scheduled Observation.
 - b. During the Pre-Observation Conference, the teacher’s evaluating administrator shall review applicable CRTF Domain 1 indicator ratings from the teacher’s Lesson Plan and provide actionable suggestions for improvement.
 - c. During the Pre-Observation Conference, the evaluating administrator shall increase the rating of an applicable CRTF indicator if the teacher is able to provide valid evidence on his/her submitted Lesson Plan that justifies an increase.

6. Following a Scheduled Observation:
 - a. No later than two (2) work days prior to the Post-Observation Conference (described below), the teacher's evaluating administrator shall align the evidence to any observed, applicable CRTF Domains 2 and 3 indicators and share such evidence with the teacher via EdReflect.
 - b. No later than two (2) work days prior to the Post-Observation Conference, the teacher shall upload to EdReflect student work samples that demonstrate mastery of the Scheduled Observation's learning objective. If uploading student work is not feasible, the teacher shall submit evidence of student mastery of the Scheduled Observation's learning objective to the evaluating administrator no later than two (2) work days prior to the Post-Observation Conference.
 - c. No later than two (2) work days prior to the Post-Observation Conference, the teacher shall upload to EdReflect answers to the Post-Observation Reflection Questions (document available on Connect). The evaluating administrator shall score each Post-Observation Reflection Question using CRTF indicators 4.1a and 4.1b. The teacher shall score each reflection question independently based upon CRTF indicators 4.1a and 4.1b. (Although this self-scoring does not impact the teacher's Summative Score, it allows the evaluating administrator to coach regarding the teacher's perceived performance.)
 - d. If a teacher fails to submit student work samples and the Post-Observation Reflection Questions within two (2) work days prior to the Post-Observation Conference, the teacher shall receive a score of a "1.0" for CRTF indicators 4.1a and 4.1b.
 7. A Post-Observation Conference is an in-person meeting between the teacher and his/her evaluating administrator that is conducted within seven (7) work days from the Scheduled Observation. The purpose of the Post-Observation Conference is for the evaluating administrator to provide targeted feedback based upon the teacher's performance on CRTF Domains 2 and 3 indicators during his/her Scheduled Observation.
- D. A Summative Conference is an in-person meeting between the teacher and his/her evaluating administrator that occurs near the end of an On Semester.
1. During the Summative Conference, the teacher and his/her evaluating administrator shall review the teacher's Summative Scores for CRTF Domains 1, 2, 3 and indicators 4.1a and 4.1b.

2. A Summative Conference can be scheduled concurrently with a Post-Observation Conference or an Unscheduled Observation Debrief.
 3. The fall semester Summative Conference shall be held by the last pupil day of the semester.
 4. The spring semester Summative Conference shall be held at least fifteen (15) work days prior to the last pupil day of semester.
- E. Summative Score: Teachers in Groups 1, 2, and 3 shall each receive a Summative Score, which is the average of the teacher's On Semester's ratings based upon the applicable CRTF indicators.
1. CRTF Domain 1's scores are obtained from the teacher's Lesson Plan and reviewed during the Pre-Observation Conference.
 2. CRTF Domains 2 and 3's scores are obtained from the preponderance of the evidence from the teacher's two (2) Unscheduled Observations and one (1) Scheduled Observation.
 3. CRTF indicators 4.1a and 4.1b's scores are obtained from the teacher's Post-Observation Reflection Questions.
 4. Observation of the teacher beyond the minimum requirements for the semester may be conducted by the evaluating administrator, but the evidence from these observations shall not impact a teacher's Summative Score.
 5. If no evidence can be gathered for a CRTF indicator, the teacher shall receive a score of a "1.0" for that particular CRTF indicator.
- F. Eligibility of Summative Scores
1. As previously indicated, if the On Semester occurs in a manner that prohibits the completion of a teacher's observation cycle as a result of administrative failure to meet required timelines, the teacher will be awarded a 3.0 or his/her prior year's Summative Score, whichever is greater
 2. Teachers who are absent in a manner which prohibits the completion of an On Semester's observations, shall not receive a Summative Score for that semester.
- G. Petition for Group or Score Change
1. A teacher who is awarded a 3.0 or his/her prior year's Summative Score as a result of administrative failure to meet required timelines may petition to move into the next group. The teacher shall complete and adhere to the guidelines in the "Petition to Advance to the Next Group" form (see

Appendix B), which may be obtained on Connect or from an administrator. The petition process allows a teacher's individual case to be evaluated by an impartial member of GDPSC' Education Team and AMU. GDPSC' Chief Academic Officer or designee shall inform the teacher and administrator regarding the result of his/her petition. and its process can be accessed in Appendix B of the CBA.

2. If a teacher disagrees with any of his/her Summative Scores, the teacher may complete an "Independent Third Rater Submission" form (see Appendix B), which may be obtained on Connect or from an administrator. This process allows a teacher's scores (for up to three CRTF indicators) to be re-rated by an impartial third party. GDPSC' Chief Academic Officer or designee shall inform the teacher regarding his/her re-rated scores for the selected CRTF indicators. GDPSC shall change any re-rated scores in EdReflect, if applicable.

H. Interim Guiding Conference

1. An Interim Guiding Conference ("IGC") is a one-on-one, in-person meeting wherein the evaluating administrator reviews the teacher's historical evaluation data and progress on existing goals, if any, to agree upon several data-driven, CRTF-aligned goals for the following two semesters.
2. For all Group 1 and Group 2 teachers, the evaluating administrator shall hold the IGC during one of the first two debriefs of the teacher's "On Semester". For all Group 3 and 4 teachers, the evaluating administrator shall hold the IGC during one of the first two debriefs of the school year.
3. Three (3) work days prior to the IGC, the teacher shall respond in writing to several questions proposed by his/her evaluating administrator. During the IGC, the teacher and administrator shall discuss the teacher's responses as well as several additional questions posed by the administrator. The IGC process and specific questions to be asked by an administrator are outlined in an "Interim Guiding Conference One Sheet" document that is available in Appendix B and on Connect.

The Stakeholder Feedback Measure

360° Survey

The 360° Survey will provide each teacher's colleagues (teachers) the opportunity to provide unit member with feedback on indicators 4.1(c) - 4.3(e) of the CRTF, "Developing Professional Practice." The survey will be taken by five (5) various teachers. Where possible, the colleagues taking the survey will be:

- Two (2) randomly selected teacher from the teacher's grade level;
- Two (2) randomly selected teacher from the teacher's department;

- One (1) randomly selected teacher from either the teacher's department OR grade level; and
- The teacher's designated observing administrator.

The teacher will also answer the survey for him/herself. The scores a teacher provides for him/herself will not be factored into the individual overall 360° Survey process.

If it is not possible for the above listed teachers to participate, other teachers may participate on the survey process.

The 360° Survey will be given once per year in the spring semester. Prior to completion of the 360° Survey, GDPSC shall provide professional development to assist in the 360° Survey's completion.

Time to complete the 360° Survey shall include, but is not limited to, AMU reserved meeting time.

The 360° Survey score will be calculated by averaging each individual Survey respondent's responses, then averaging all individual 360° Surveys together.

The 360° Survey questions are available in Appendix B.

The Student Survey

The questions on the Student Survey will solicit information from students related to the school and unit members individually.

The Student Survey is a survey taken by approximately thirty (30) computer generated randomly chosen students of each teacher from varying class periods.

In the instance that a teacher has fewer than thirty (30) students, all of his/her students will take the survey.

Students are eligible for their scores to count if they have been present for 85% or more of the days between CBEDS and administration of the Survey.

The Student Survey score will be calculated by averaging each individual Survey respondent's responses, then averaging all individual Student Surveys together. The Student Survey is given once per year in the spring semester. The Student Survey questions are listed in Appendix B

The Family Survey

The Family Survey is a stakeholder feedback survey asking families to provide feedback on the school's performance in Domain 5 of the College-Ready Teaching Framework, "Developing Partnerships with Family and Community."

Taken once each year, a response rate of at least 20% of the families as measured by the student population at the school is required. Should any school receive a response rate of less than 20%,

the pies shall be altered so that the total score will be measured out of a 95% possible score. If the requisite threshold of 20% or more family surveys is received, student survey results will be factored in to the family survey in a manner that is proportionate to the number of parent questions on the survey.

The Family Survey score will be calculated by averaging each individual Survey respondent's responses, then averaging all individual Family Surveys together. This score will be assigned to each teacher at the school because it is a school-level survey.

The Family Survey questions can be found in Appendix B.

The Special Education Teacher Measure

IEP Quality and Compliance

GDPSC shall evaluate special education teachers on their teaching performance, including individualized education program ("IEP") quality and compliance based upon GDPSC' IEP Rubric. IEP quality and compliance is based on appropriate prescription and implementation of services to students with disabilities, adhering to state and federal mandates, including data reporting, provision of services, timelines, meeting any applicable Modified Consent Decree outcomes, and dispute management. IEP quality and compliance shall be assessed for all special education teachers and account for ten percent (10%) of their final Performance Evaluation Score. If a special education teacher is "OFF" for the school year, IEP compliance shall still be assessed and the scores shall be shared with the teacher for purposes of reflection and improvement.

Process for Developing IEP Compliance Rating

During the spring semester, prior to an Informal Observation Debrief, Post Observation Conference, or calendared meeting, admin shall request the special education teacher to identify five (5) IEPs that contain academic goals and were written by that teacher within the current school year.

The special education teacher shall bring the identified five (5) IEPs to the Debrief, Conference, or meeting.

During the Debrief, Conference, or meeting, the admin will select two (2) of the five (5) IEPs to score using the IEP Compliance Rubric and, subsequently, enter the results on GDPSC' closed circuit online performance evaluation portal.

Post-IEP Survey

The Post-IEP Survey requests feedback from the holder of educational rights (e.g. parent, guardian, or student of at least eighteen years of age) regarding a special education teacher's facilitation of the IEP team meeting. Admin or his/her designee (other than the teacher being evaluated) shall administer the Post-IEP Survey immediately after every IEP team meeting. The results of the Post-IEP Survey shall be used to develop a special education teacher's Post-IEP Survey score. The Post-IEP Survey shall account for five percent (5%) of a special education teacher's Performance Evaluation Score. To be eligible for scoring, at least six (6) Post-IEP Surveys must be submitted

during the school year in which the teacher is being evaluated. If a special education teacher is “OFF” for the school year, the Post-IEP Survey shall still be administered and the scores shall be shared with the teacher for purposes of reflection and improvement.

Weighting of multiple measures

Teachers’ effectiveness ratings will be calculated using the following weight-factors.

	Observation	360 Survey	Student Survey	Family Survey	IEP Quality and Compliance	Post-IEP Parent Survey
General Education Teachers	65%	15%	15%	5%	NA	NA
Special Education Teachers	50%	15%	15%	5%	10%	5%

Scoring each Measurement of Effectiveness

Weighted scores for each measure are calculated using the following method:

- Observation: Final Classroom Observation Score x 100 x weight = Classroom Observation Weighted Score
- 360 Survey: Final 360 Survey Score x 100 x weight = 360 Survey Weighted Score
- Student Survey: Final Student Survey Score x 100 x weight = Student Survey weighted Score
- Family Survey: Final Family Survey Score x 100 x weight = Family Survey Weighted Score
- IEP Quality and Compliance: Final Compliance Score x 100 x weight = Compliance Weighted Score
- Post-IEP Parent Survey: Final Post-IEP Parent Survey Score x 100 x weight = Post-IEP Parent Survey weighted score

Once weighted scores are calculated, they are summed. Their sum equals the teacher’s Effectiveness Rating.

Should any general education teacher not receive a score for the 360 Survey, Family Survey, or Student Survey, the measures shall be proportionately weighted so that the total score will be measured out of a reduced score (akin to the weight of the missing measure). For example, if a teacher was absent during the Student Survey, his or her overall score shall be reduced by 15% and measured out of an 85% possible score. Each of the weights of the remaining measures shall increase proportionally (Observation: 76.4%, 360 Survey: 17.6%, Family Survey: 5.8%). A general education teacher who is missing a score for the Observation Cycle or more than one other measure (i.e., 360 Survey, Student Survey, or Family Survey), shall not receive a Performance Evaluation

Score for the school year.

Should any special education not receive a score for the 360 Survey, Family Survey, Student Survey, IEP Quality and Compliance measure, or Post-IEP Parent Survey, the measures shall be proportionately weighted so that the total score will be measured out a reduced score (akin to the weight of the missing measure). For example, if a special education teacher was absent during the Student Survey and didn't receive a Post-IEP Parent Survey score, his or her overall score shall be reduced by 20% and measured out of an 80% possible score. Each of the weights of the remaining measures shall increase proportionally (Observation: 62.5%, 360 Survey: 18.75%, Family Survey: 6.25%, IEP Quality and Compliance: 12.5%). A special education teacher who is missing a score for the Observation Cycle or more than two other measures (i.e., 360 Survey, Student Survey, Family Survey, Post-IEP Parent Survey, or IEP Quality and Compliance), shall not receive a Performance Evaluation Score for the school year.

The Student Growth Measure

Individual Student Growth Percentile

Individual Student Growth Percentiles ("SGP") are measures of student growth that were included in all teachers' performance evaluation in 2012-2013. Per the "Teacher Evaluation Changes Due to The Absence of Student Growth Percentile During the 2013-2014 School Year," the parties shall continue to collaborate to determine how to evaluate student growth as a measure of teacher effectiveness as soon as possible.

Development Plan

The Evaluation Committee will continue to develop applicable standards for placement of unit members on a development/improvement plan. The AMU and GDPSC bargaining team will receive reports from the above referenced committee.

Purpose

A development plan is a tool used by the school administrator and unit member to increase the level of assistance for those members struggling in their practice. While the role of the school administrator is to ensure additional resources, supports and coaching is being provided to assist with improvement, it is also the responsibility of the teacher to access and utilize those supports as a way to impact and improve his or her own development. The affected teacher may provide input and make recommendations on the development plan supports. However, the administrator retains the final authority on all supports and resources provided on the development plan.

Criteria for Placement on a Development Plan

At the discretion of the administrator, a unit member with less than two (2) years of service with GDPSC may be placed on a development plan after two observations/debriefs that reveal two (2) or more indicators on the applicable Group Placement scoring 1.0. During the debrief, the administrator will review the evidence and provide a score of the indicators of concern.

At the discretion of the administrator, a unit member with two (2) or more years of service with

GDPSC may be placed on a development plan if:

- the unit member receives less than 2.0 on his or her Summative Score; OR
- in the last two years of receiving an overall, On Semester (if applicable) average score between 2.0-2.3, exclusive of receiving a 3.0 or higher because the observation timelines were not met. For example:

SY#1: 2.1	SY#2 No score or an AUTO 3	SY#3: 2.4	Average = 2.25
-----------	----------------------------	-----------	----------------

The development plan shall include the following:

- Areas of growth, where specific improvement is needed and supporting evidence;
- Specific expected outcomes for improvement;
- Supports and resources to be utilized to assist with the improvement; and
- The means by which improvement will be measured.

During informal observation debriefs while on the development plan, the administrator of record will provide the teacher with hypothetical scores based on the CRTF that reflect observed performance.

A report of the teacher's progress toward reaching the development plan's expected outcomes will be provided to the teacher in the middle of the development plan, which is approximately between the 20th and 30th working days on the development plan.

If an administrator places a teacher on a development plan with fifteen (15) or fewer working days prior to the end of the school year, the 45-day timeline described below will not begin until the first instructional workday of the following school year.

There are two options to consider when determining the next steps for a teacher on a development plan:

If at the end of forty-five (45) working days, the teacher makes sufficient improvement on the chosen (3 to 4) indicators and there are no other indicators of concern, then the teacher is removed from the development plan.

If at the end of forty-five (45) working days, the teacher improves on the chosen indicators but there are other indicators of concern, the unit member may be placed on a new development plan for the indicators of concern.

Improvement Plan

If at the end of forty-five (45) working days has been given for the teacher to improve as specified in the development plan, and there is insufficient progress based on the chosen indicators identified in the development plan, a forty-five school day improvement plan shall be developed.

The improvement plan must include (but is not limited to):

- Areas of growth, where specific improvement is needed and supporting evidence;
- Expected outcomes recommendations for improvement;
- Supports and resources provided to assist with the improvement;
- The means by which improved shall be measured; and
- A reasonable date for achieving the specified improvement(s).

The principal will take affirmative action to give support to help the teacher correct any cited areas of improvement. The affected teacher may provide input and make recommendations on the improvement plan supports. However, the administrator retains the final authority on all supports and resources provided on the teacher's improvement plan. Such action shall include specific recommendations for improvement, direct assistance in implementing the recommendations, and adequate release time for the teacher to visit and observe similar classes in other GDPSC schools. A report of the teacher's progress toward reaching the improvement plan's specified targets will be provided to the teacher in the middle of the improvement plan, which is approximately between the 20th and 30th working days on the improvement plan.

If an administrator places a teacher on an improvement plan with fifteen (15) or fewer working days prior to the end of a school year, the 45-day timeline described below will not begin until the first instructional workday of the following school year.

In the event a teacher on an improvement plan has not improved their performance to meet the standard, GDPSC may terminate and/or not re-hire for the following year. In this case, the following procedures will apply:

Termination

- The teacher will be given written notice of the termination on or before May 15th of that school year;
- The notice shall include the reason for the action and notification of an opportunity to appeal;
- The teacher may request a conference in writing within ten working days of receiving the notice;
- If the teacher does not submit a request for a conference in writing within ten (10) working days of receiving the notice, such failure to make a request shall be deemed a waiver of the right to a conference;
- The conference, if requested, shall follow the grievance process as described in Article XIII of the collectively bargained agreement between GDPSC and AMU;
- The teacher may have an Association representative present at the conference if he/she desires.

21.2 Counselor Evaluation

During the fall semester, Counselors must participate in a Fall Individual Conference and a Check-In. During the spring semester, Counselors must participate in a Spring Individual Conference and a Performance Evaluation. Between the Check-In and the Spring Individual Conference, in either the fall semester or spring semester, an Observation of the Counselor must occur and be followed by an Observation Debrief. These five steps must occur in chronological order as identified by the above graphic.

I. Fall Individual Conference

- A. A Fall Individual Conference is a meeting during which the Counselor and his/her evaluating administrator reflect upon two (2) College Ready Counselor Framework (“CRCF”) indicators in which the Counselor has been successful and two (2) CRCF indicators that are identified as areas of growth for the Counselor. During the Fall Individual Conference, the Counselor and his/her evaluating administrator shall collaboratively agree upon strategies for addressing the Counselor’s identified areas of growth.
- B. The Fall Individual Conference shall occur within the first thirty (30) work days of the fall semester and is scheduled by the Counselor’s evaluating administrator.
- C. At least five (5) work days prior to the Fall Individual Conference, the Counselor shall complete the Fall Individual Conference Template (“FICT”) on EdReflect (or other applicable platform provided by GDPSC) by reflecting on two (2) CRCF indicators in which he/she has been successful and two CRCF indicators that are areas of growth for the Counselor.
- D. At least two (2) work days prior to the Fall Individual Conference, the Counselor’s evaluating administrator shall review the Counselor’s FICT, complete the evaluating administrator’s reflection portion of the FICT, and share it with the Counselor on EdReflect.

II. Check-In.

- A. Prior to the Check-In, the Counselor shall prepare, and bring to the Check-In, a written data-driven update on a form that will be available on EdReflect (or other applicable platform provided by GDPSC) that aligns to the Counselor’s areas of growth that were identified during the Fall Individual Conference.
- B. During the Check-In:

1. the Counselor's evaluating administrator shall capture and share evidence in EdReflect (or other applicable platform provided by GDPSC) of the Counselor's progress regarding the indicators identified during the Fall Individual Conference. At this time, the Counselor's evaluating administrator may identify additional CRCF indicators that are areas of growth for the Counselor;
2. the Counselor and his/her evaluating administrator shall discuss the Counselor's prepared data-driven update; and
3. the Counselor and his/her evaluating administrator shall collaboratively agree upon strategies for addressing the Counselor's identified areas of growth.

III. Observation and Observation Debrief

A. Observation

1. An Observation shall be conducted by the Counselor's evaluating administrator for a minimum of fifteen (15) minutes. The administrator should not have a participatory role in the Counselor's job-related activities during the Observation.
2. Observations include, but are not limited to, staff professional development sessions, parent conferences, parent and student informational sessions, and college presentations.
3. During the Observation, the administrator shall use EdReflect (or other applicable platform provided by GDPSC) to reduce to writing observations of dialogue and activities that occurred in the Observation (the "Script"). The administrator shall use EdReflect to share the Script with the Counselor within three (3) work days after the Observation.
4. When possible, the Observation date shall be collaboratively determined between the Counselor and his/her evaluating administrator.

B. Observation Debrief

1. An Observation Debrief is a meeting between the Counselor and his/her evaluating administrator to discuss the Observation.
2. The Observation Debrief must occur within seven (7) work days after the Observation.
3. The Observation Debrief shall include discussions regarding the Counselor's performance based upon the Script and/or other evidence collected by the evaluating administrator.

IV. Spring Individual Conference

- A. A Spring Individual Conference is a meeting during which the Counselor and his/her evaluating administrator reflect upon the CRCF indicators not discussed during the Fall Individual Conference and/or the Check-In. Previously identified CRCF indicators that remain as areas of growth for the Counselor may be reflected upon again. During the Spring Individual Conference, the Counselor and his/her evaluating administrator shall collaboratively agree upon strategies for addressing the Counselor's identified areas of growth.
- B. The Spring Individual Conference shall occur within the first thirty (30) work days of the spring semester and is scheduled by the Counselor's evaluating administrator.
- C. At least five (5) work days prior to the Spring Individual Conference, the Counselor shall complete the Spring Individual Conference Template ("SICT") on EdReflect (or other applicable platform provided by GDPSC) by reflecting on indicators not discussed during the Fall Individual Conference and/or the Check-In.
- D. At least two (2) work days prior to the Spring Individual Conference, the Counselor's evaluating administrator shall review the counselor's SICT, complete the evaluating administrator's reflection portion of the SICT, and share it with the Counselor on EdReflect.

V. Performance Evaluation

- A. Performance Evaluation Meeting
 - 1. The Counselor's evaluating administrator shall schedule a meeting with the Counselor to occur at least ten (10) work days prior to the last pupil day of the spring semester to review his/her performance evaluation and its ratings (the "Performance Evaluation Meeting").
 - 2. At least three (3) work days prior to the Performance Evaluation Meeting, the Counselor shall self-rate, provide rationale for such ratings, and share such ratings with the Counselor's evaluating administrator on EdReflect (or other applicable platform provided by GDPSC)
- B. Performance Evaluation Ratings
 - 1. Counselors shall be evaluated and receive performance evaluation ratings for work that was performed or completed based on the CRCF.
 - 2. A Counselor will be evaluated and receive performance evaluation ratings only on CRCF indicators that align to his/her job duties assigned. (For example, a high school Counselor who is assigned to students in the ninth and tenth grades only will not be evaluated on, and will not receive a

performance evaluation rating for, CRCF Indicator 3.2(B) (Financial Aid and Scholarship Application).)

3. Evidence need not be captured and shared in EdReflect to inform a Counselor's performance evaluation ratings.
4. If a Counselor disagrees with any of his or her evaluation ratings, he/she may provide one (1) written response, which shall be filed with the Counselor's evaluating administrator and GDPSC' Director of Counseling and College Persistence (or equivalent position) within ten (10) work days from receipt of the ratings. This response will be placed in the Counselor's personnel file and attached to his/her performance evaluation ratings. The evaluating administrator shall respond to the Counselor within ten (10) work days of receipt of the written response; such response shall inform the Counselor whether any new evidence presented in the written response will modify his/her performance evaluation ratings.

C. Eligibility of Summative Ratings

1. Counselors who are hired after December 1st shall receive coaching from an administrator, but are not eligible to receive performance evaluation ratings.
2. When a Counselor goes on an approved leave of absence during the school year, the Counselor and his or her evaluating administrator shall collaborate to determine whether it is feasible to restructure the evaluation such that a Counselor can receive performance evaluation ratings. Counselors who are absent in a manner which prohibits the completion of their performance evaluation will not receive performance evaluation ratings.
3. If solely due to the fault of the Counselor's evaluating administrator, the Counselor's performance evaluation is not completed pursuant to required timelines, the Counselor shall receive an overall performance rating of a 3.0.

Purpose

A development plan is a tool used by the school administrator and unit member to increase the level of assistance for those members struggling in their practice. While the role of the school administrator is to ensure additional resources, supports and coaching is being provided to assist with improvement, it is also the responsibility of the counselor to access and utilize those supports as a way to impact and improve his or her own development. The affected counselor may provide input and make recommendations on the development plan supports. However, the administrator retains the final authority on all supports and resources provided on the development plan.

Criteria for Placement on a Development Plan

At the discretion of the administrator, a counselor with less than two (2) years of service with

GDPSC may be placed on a development plan after level of practice **reveals two (2) or more indicators scoring 1.0.**

At the discretion of the administrator, a counselor with two (2) or more years of service with GDPSC may be placed on a development plan if:

- the counselor receives less than 2.0 on his or her Summative Score; OR
- in the last two years of consecutive service, a counselor has received an overall average score between 2.0-2.3. (for example 13-14 Semester 1: 2.0 + 14-15 Semester 1: 2.2 = $4.2/2 = 2.1$)

The development plan shall include the following:

- Areas of growth, where specific improvement is needed and supporting evidence;
- Specific expected outcomes for improvement;
- Supports and resources to be utilized to assist with the improvement; and
- The means by which improvement will be measured.

During informal observation debriefs while on the development plan, the administrator of record will provide the counselor with hypothetical scores based on the CRCF that reflect observed performance.

A report of the counselor's progress toward reaching the development plan's expected outcomes will be provided to the counselor in the middle of the development plan, which is approximately between the 20th and 30th working days on the development plan.

If an administrator places a counselor on a development plan with fifteen (15) or fewer working days prior to the end of the school year, the 45-day timeline described below will not begin until the first instructional workday of the following school year.

There are two options to consider when determining the next steps for a counselor on a development plan:

If at the end of forty-five (45) working days, the counselor makes sufficient improvement on the chosen (3 to 4) indicators and there are no other indicators of concern, then the counselor is removed from the development plan.

If at the end of forty-five (45) working days, the counselor improves on the chosen indicators but there are other indicators of concern, the unit member may be placed on a new development plan for the indicators of concern.

Improvement Plan

If at the end of forty-five (45) working days has been given for the counselor to improve as specified in the development plan, and there is insufficient progress based on the chosen indicators identified in the development plan, a forty-five school day improvement plan shall be developed.

The improvement plan must include (but is not limited to):

- Areas of growth, where specific improvement is needed and supporting evidence;
- Expected outcomes recommendations for improvement;
- Supports and resources provided to assist with the improvement;
- The means by which improved shall be measured; and
- A reasonable date for achieving the specified improvement(s).

The principal will take affirmative action to give support to help the counselor correct any cited areas of improvement. The affected counselor may provide input and make recommendations on the improvement plan supports. However, the administrator retains the final authority on all supports and resources provided on the counselor's improvement plan. Such action shall include specific recommendations for improvement, direct assistance in implementing the recommendations, and adequate release time for the counselor to visit and observe counselors in other GDPSC schools.

A report of the counselor's progress toward reaching the improvement plan's specified targets will be provided to the counselor in the middle of the improvement plan, which is approximately between the 20th and 30th working days on the improvement plan.

If an administrator places a counselor on an improvement plan with fifteen (15) or fewer working days prior to the end of a school year, the 45-day timeline described below will not begin until the first instructional workday of the following school year.

In the event a counselor on an improvement plan has not improved their performance to meet the standard, GDPSC may terminate and/or not re-hire for the following year. In this case, the following procedures will apply:

Termination

- The counselor will be given written notice of the termination on or before May 15th of that school year;
- The notice shall include the reason for the action and notification of an opportunity to appeal;
- The counselor may request a conference in writing within ten working days of receiving the notice;
- If the counselor does not submit a request for a conference in writing within ten (10) working days of receiving the notice, such failure to make a request shall be deemed a waiver of the right to a conference;
- The conference, if requested, shall follow the grievance process as described in Article XIII of the collectively bargained agreement between GDPSC and AMU;
- The counselor may have an Association representative present at the conference if he/she desires.

Article XXII – Working Conditions Related to Special Education Requirements

- 22.1 The regular classroom teacher will be informed of and have immediate access to view the Individualized Educational Program for each assigned pupil with exceptional needs from GDPSC on the first day of the school; IEPs for students in their first year in GDPSC schools will be made available for viewing as soon as possible.
- 22.2 All IEPs will be developed and maintained consistent with all legal requirements.
- 22.3 The caseload for a special education teacher shall adhere to all applicable federal and state law. In the event any caseload for any special education teacher exceeds twenty-five (25) students, for twenty (20) consecutive work days, a conference shall be held between the affected teacher and the Principal. Through this dialogue, amelioratory measures will be offered (unless declined by the unit member), e.g., instructional aide support, limited adjunct supervisory duties, additional curricular support materials, planning days, stipends or other ideas which may come into the discussion. The appropriate form will be signed by both parties and filed with Human Resources and AMU.
- 22.4 Compliance Period. All schools shall make their best reasonable efforts to give each special education teacher a compliance period in addition to the preparation period outlined in article 6.2.2.

Article XXIII – Complaints Against Unit Members

- 23.1 Complaints against unit members shall be handled according to applicable GDPSC policies and legal requirements. When appropriate, complainants may be asked to attempt to informally resolve such complaints with the involved unit member. If a unit member requests an administrator to facilitate a meeting with the complainant, the administrator shall participate in such a meeting, unless in the opinion of the administrator the meeting should not take place (such as for safety or legal concerns).
- 23.2 As soon as is reasonable or allowed under the circumstances, the written complaint or a written summary of the material allegations shall be reduced to writing by GDPSC and shared with the unit member for review and response.
- 23.3 Any disciplinary action taken by GDPSC following an investigation of complaints must be in compliance with Article XVII of this Agreement. This includes the requirement that unit members be given a reasonable opportunity for review and respond to material allegations relied upon by GDPSC to support the personnel action before personnel action is taken.

Article XXIV -- Negotiations

- 24.1 No later than June 30th of the year in which this Agreement expires, the Asociación and GDPSC shall submit their initial proposals to each other for a successor Agreement. GDPSC shall give proper public notice of such proposals at the first Board of Directors meeting following the submission of the proposals

- 24.2 The parties shall commence to meet and negotiate on re-openers or a successor Agreement beginning no later than five (5) days after the completion of the public notice requirements listed above. Any Agreement reached between the parties shall be reduced to writing and signed by them. Each party shall be entitled to re-open five (5) articles each year during the Agreement, except for Compensation (Article 26) for the 2019-2020 and 2020-2021 school years, which has been agreed upon and closed for such school years.
- 24.3 Within thirty (30) days of ratification of the Agreement by both parties herein, GDPSC shall post the ratified agreement on the GDPSC intranet and notify bargaining unit members via e-mail of the internet link. GDPSC shall provide a copy of the Agreement to any new bargaining unit members hired during the term of the agreement. GDPSC shall make available a hard copy of the agreement in a teacher common area at each site.
- 24.4 Negotiations meetings will be scheduled as mutually agreed upon by both parties. Asociación representatives appointed for the purpose of meeting and negotiating will receive release time from duties without loss of compensation as per the EERA. (Govt. Code Section 3543.1.)

Article XXV – Leave Provisions

25.1 Personal Illness and Injury Leave

- 25.1.1 Full-time unit members shall be entitled to ten (10) days leave with full pay for each school year for purposes of personal illness or injury. Unit members who work less than full-time shall be entitled to that portion of the ten (10) days leave as the number of hours per week that scheduled duty relates to the number of hours for a full-time unit member in a comparable position.
- 25.1.2 Unit members with exemplary attendance (as defined herein) shall be awarded a \$750 bonus per semester. Qualifying exemplary attendance is defined as 1) use of no more than a total of sixteen (16) hours of personal injury or illness leave (including personal necessity leave), and 2) not being absent on such leave on more than three (3) separate occurrences. Unit members who use one (1) or two (2) days of personal illness and injury leave in a semester will be awarded a \$750 bonus, with an additional \$250 bonus if none of the personal illness and injury leave days were used on a Monday or Friday. Bonus awards pursuant to this Article 25.1.2 shall be remitted by GDPSC by January 25 and July 25 for attendance in the respective immediately preceding semesters.
- 25.1.3 Pay warrants shall record accumulated sick days.
- 25.1.4 Whenever possible, a unit member must call the principal as soon as the need to be absent is known, but in no event less than one-and-a-half (1-1/2) hours prior to the start of the work day unless it was an emergency to permit the employer time to secure a substitute service. Failure to provide adequate notice is grounds for disciplinary action.
- 25.1.5 Unit members may report their absence as a one-day only absence. If the absence needs to be extended the unit member needs to notify the principal or designee as

soon as possible. This practice can help assure consistency of coverage.

25.1.6 In the event that a member requests a sub and decides to attend work anyway, the unit member will still be using up a sick day.

25.1.7 For unit member absences of one-half a work day or less, GDPSC will deduct from a unit member's accumulated illness leave, in quarterly hour increments for every fraction of an hour the employee is tardy/absent from work; and absences of more than one-half a work day shall continue to be deducted as a full day of leave.

Absences of more than one-half a work day shall be deducted as a full day of leave.

25.1.8 Unit member shall be entitled to sick days accrued from previous employment in a school district, charter school or public school.

25.2 Personal Necessity Leave

25.2.1 A unit member may use, at their election, up to seven (7) days of unused sick leave for the purpose of personal necessity leave.

25.2.2 Unit members shall submit notification for personal necessity leave to their immediate supervisor at least one (1) day prior to the beginning date of the leave, except where extenuating circumstances make this impossible. Such leave may be used at the discretion of the unit member who shall not be required to give verification or explain the reason for the leave.

25.3 Bereavement Leave

A unit member shall be granted leave of absence for the death or imminent death of any member of the immediate family (as defined in Section 3.8 of this Agreement) without loss of pay or deduction from other leave benefits found in this Article. This leave shall be for three (3) days, unless travel of more than 200 miles is required; in such case the length of the leave shall be for five (5) days.

25.4 Leave Rights

25.4.1 Unit members on a paid leave of absence shall continue to receive wages, health and welfare benefits, and retirement credit in the same amounts as if they were not on leave. Those unit members who go on an unpaid leave of absence during any pay period shall receive their health and welfare benefits for the balance of that pay period. Thereafter, they shall be allowed continued benefits at their own expense.

25.4.2 A unit member returning from any type of paid leave shall be entitled to return to the same position and assignment she/he had prior to the leave. A unit member returning from any type of unpaid leave shall be entitled to return to the same position and assignment she/he had prior to the leave unless that position was filled in her/his absence with a unit member, and in such case the returning unit member shall be entitled to an equivalent position.

25.5 Industrial Accident Leave

- 25.5.1 Unit member shall be entitled to industrial accident and illness leave according to the provision in Education Code Section 44984 which has qualified for worker's compensation under the provisions of the existing insurance carrier.
- 25.5.2 Such leave shall not exceed sixty (60) days during which the school is in session or when the employee would otherwise have been performing work for the Board in any one fiscal year for the same industrial accident or illness.
- 25.5.3 A unit member claiming an industrial accident or illness leave shall be subject to examination by a physician designated by the Board's insurance carrier, or a physician previously designated by the unit member to assist in determining the qualification and the length of time during which the unit member will be temporarily unable to perform assigned duties, and the degree to which a disability is attributable to the injury or illness involved.
- 25.5.4 During any industrial accident or illness paid leave of absence, the unit member shall endorse to the Board the temporary disability and indemnity checks received on account of the industrial accident or illness. The Board, in turn, shall issue the unit member appropriate salary warrants for payment of salary less normal deductions.

25.6 Judicial Leave

- 25.6.1 It is encouraged for unit members to attend to jury duty during vacation time.
- 25.6.2 Unit members shall be granted leave, without loss of pay, to appear in court as a witness, other than as a litigant, or to respond to an official order from duly authorized government agencies, or to serve as a juror for up to five days of pay reimbursement.
- 25.6.3 Any compensation, less any mileage expenses, received for appearance as a witness or from serving as a juror under this section shall be endorsed over to the school site so that the unit member's compensation for any days of absence for the above purposes shall not be in excess of nor less than, her/his regular pay.

25.7 Leaves Without Pay

The applications for and granting of such leaves of absence shall be in writing to the principal. Applications shall be given careful consideration and any denial will be set forth in writing with reasons on the basis of the best interest of the organization.

Unit members on leaves without pay shall be permitted participation in the appropriate GDPSC insurance programs by making premium payments directly to GDPSC. In addition, a unit member on such leave shall notify the Principal by March 1st of the school year as to the intent to return to employment in the school. Failure to notify may be considered an

abandonment of position and forfeiture of all insurance benefits.

25.7.1 Child Bearing Preparation and Child Rearing

- 25.7.1.1 Unit members may use their accrued personal illness and injury leave for purposes of preparation for child birth, post-birth bonding or adoption.
- 25.7.1.2 Upon exhaustion of their accrued personal illness and injury leave, unit members may request the donation of additional leave time from other bargaining unit members. The donated leave will be deducted from the accrued personal illness and injury leave of the member who donates it. No member may contribute more than one (1) additional day of leave per incident.
- 25.7.1.3 Notwithstanding any other section of this article, receipt of donated leave is contingent upon the agreement of the recipient of such leave returning for a minimum of one (1) additional year of employment at GDPSC. This condition may be waived by the mutual agreement of the parties.
- 25.7.1.4 Upon the exhaustion of accrued and/or donated personal illness and injury leave, for child bearing, child rearing, or adoption purposes only, additional non-accumulated sub-differential leave shall be available annually for a period not to exceed one hundred (100) work days. During the sub-differential leave time, the unit member's salary shall be the greater of: (a) the difference between the unit member's salary and the amount actually paid to a substitute employed to fill the position during the leave, or, if no substitute is employed, the amount which would have been paid to a substitute, or (b) 25% of the unit member's daily rate. Option (b) in this Article 25.7.1.5 shall sunset on June 30, 2021.
- 25.7.1.5 There shall not be a diminution of employment status for child bearing or child rearing except that no person shall be entitled to compensation or increment, nor shall the time taken on parental leave count toward credit for probationary unit members in earning tenure status.
- 25.7.1.6 If a unit member is on leave for child bearing or child rearing and in the event of a miscarriage or death of child subsequent to childbirth, the unit member may request an immediate assignment to a unit position. If there is no vacancy for which a unit member is qualified, GDPSC will assign the unit member to a position as soon as practicable.

25.7.2 Family Care and Medical Leave

Under state and federal law, unit members who have served GDPSC more than

12 months and have at least 1,250 hours of service with GDPSC during the previous 12-month period, have the right to an unpaid family care and medical leave of up to 12 work weeks in a 12-month period for the birth of a child, for the placement of a child for adoption or foster care, for the serious health condition of their child, parent or spouse, or for their own serious health condition which makes them unable to perform their job. When granting this leave, GDPSC guarantees reinstatement to the same or a comparable position at the end of the leave, subject to any exceptions or limitations provided by law.

If possible, at least 30 calendar days written advance notice must be provided for foreseeable events such as the expected birth of a child or the planned medical treatment of yourself or a family member. For events which are unforeseeable 30 days in advance, GDPSC must be notified as soon as practicable. Failure to comply with these notice rules is grounds for, and may result in, denial or deferral of the requested leave until this notice policy is complied with.

25.7.3 Miscellaneous Leaves Without Pay

Upon recommendation of Chief Academic Officer and approval by GDPSC, leave without compensation, increment or tenure credit, may be granted for a period not to exceed one school year for the following purposes: care for a member of the immediate family who is ill, long-term illness of the unit member, service in an elected public office, educational travel, professional study or research or public service. Extension of such leaves may be granted at the sole discretion of GDPSC.

25.7.4 Military Leave

GDPSC shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 (“USERRA”). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, GDPSC shall continue the employee’s health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Green Dot will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

25.7.5 California Military Spousal Leave

GDPSC shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide Green Dot with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

25.8 Catastrophic Illness or Injury: Leave Donation Bank

25.8.1 Definition: "Catastrophic illness" or "catastrophic injury" means an illness or injury that is expected to incapacitate the unit member for an extended period of time, or that incapacitates a member of the unit member's family (child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner) which incapacity requires the unit member to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the unit member because he or she has exhausted all of his or her personal illness and injury leave and other paid time off.

25.8.2 Conditions: Catastrophic illness/injury leave should be administered based upon the following

25.8.2.1 Process for request: Catastrophic illness/injury leave requests must be submitted in writing to GDPSC's Human Resources Department. GDPSC shall determine whether or not to grant a request for Catastrophic Illness/Injury Leave within ten (10) work days, based on verification by a medical doctor as to the nature of the illness or injury, anticipated length of absence and prognosis for recovery. All information provided by the unit member requesting leave shall be held in strict confidence to the extent allowable by law.

25.8.2.2 Leave Bank Donation Limit: Bargaining unit members may donate one (1) accrued leave day per school year to a catastrophic illness/injury leave bank for unit members suffering a catastrophic illness/injury; however, each member must retain at least nine (9) sick leave days for their own account. If the days of the leave bank become depleted entirely, GDPSC may ask unit members to donate an additional one (1) day of accrued personal illness and injury leave.

25.8.2.3 Leave Bank Award Limit: The number of donated days that can be received by a bargaining unit member is limited to twenty (20) days per school year. Any unused days revert back to the bank.

- 25.8.2.4 Leave Bank Participation: Ability to participate in the leave bank days shall be contingent upon the unit member having contributed at least one (1) day to the leave bank during the applicable school year.
- 25.8.2.5 Leave Bank Donation – GDPSC Match: GDPSC shall add one (1) day to the Leave Donation Bank for each three (3) days donated by unit members in non- fractional increments.
- 25.8.2.6 Leave Bank Carry-Over: Unused leave days in the bank shall roll over from year to year.

25.8.3 Upon exhaustion of the accrued personal illness and injury leave and catastrophic illness/injury leave bank days, unit members may request, through their AMU site representative, the donation of additional leave time from other unit members for a catastrophic illness or catastrophic injury as verified by GDPSC’ Human Resources Department from information obtained by the unit member’s medical doctor as to the nature of the illness or injury. All information provided by the unit member requesting leave shall be held in strict confidence to the extent allowable by law. The donated leave will be deducted from the accrued personal illness and injury leave of the member who donates it. No member may contribute more than one (1) additional day of leave per incident.

Article XXVI – Compensation

26.1 Salary Schedule:

The salary schedule shall be set forth in Appendix A.

- Effective July 1, 2022, the salary schedule shall be increased by five percent (5%). The increase will be paid retroactively from July 1st upon ratification by AMU membership and approval by the GDPSC Board.

Unit members will have a total of ten (10) professional development days per year (a total of 198 for new teachers and 193 for other unit members).

26.2

26.2.1 Default Pay Frequency with Summer Savings: All unit members will have their salary, as determined by the salary schedule, paid on a semi-monthly basis for service over twenty- four (24) pay periods between July 16th and June 30th for which GDPSC will withhold one twenty-fourth (1/24 or about 4.16%) of each paycheck remitted during the school year in which the election is made and GDPSC shall provide the unit member with the net pay withheld for that school year on or before July 25th of that school year.

26.2.2 Optional Pay Frequency without Summer Savings: A unit member may opt to receive their salary, as determined by the salary schedule, paid on a semi-monthly basis for service over twenty-three (23) pay periods between July 16th and June 30th (i.e., no Summer Savings paycheck for the July 1-15 period).

GDPSC shall align a Summer Savings opt-out enrollment period with the open enrollment period for health benefits for new and returning unit members. The election made during this Summer Savings opt-out enrollment period shall remain in effect through the end of the school year for which the election is made.

26.2.3 Pay Date on Weekend or Holiday: Should a pay date fall on a weekend or designated GDPSC holiday, members will be paid on the business day immediately preceding that date.

26.3 GDPSC will include an amount in each school's budget to be used to pay members for duties outside of those provided during the normal instructional day. Beginning July 1, 2022 and thereafter, this amount shall be calculated at the rate of \$60 per high school pupil and \$55 per middle school pupil based upon the GDPSC approved enrollment in each campus' budget. The stipend committee may decide to reduce the stipend funding below the minimum allocation. The stipend committee shall not decide to increase the stipend funding above the minimum allocation without prior written approval from the school Principal.

A committee which includes unit members and an administrator shall be formed at each site to discuss the distribution of stipends and other forms of compensation including release time. A process for distributing stipends shall be developed and documented at each site. The discussion shall include compensation for unit members who have three or more preparations, coaching and other activities designated as warranting a stipend as determined at each school site by the committee described above. Five dollars (\$5) of the above amount per public in each school budget shall be reserved for the stipend committee to allocate, as it deems appropriate per its process for distributing stipends, toward school leadership stipend work (e.g., Instructional Leadership, School Culture, Advisory, Grade Level Lead) actually performed during Summer Break. (For instance, a school with 500 students shall reserve \$2,500 toward Summer Break school leadership stipend work). The committee shall compose a draft stipend schedule for the following school year that shall be ratified by majority vote at the site, and shall be published no later than the last day of school at each site. A stipend schedule shall be published no later than September 30 of each school year.

Stipends for Summer Work shall be paid on the October 25th paycheck, first semester stipends shall be paid on the December 25th paycheck and second-semester stipends shall be paid on the June 25th paycheck.

26.4 Salary Schedule Advancement

Salary schedule advancement will take effect on the first payroll processed after receipt of official transcripts by HR.

Salary schedule advancement shall be based on any of the following:

1) Graduate Level Coursework

The completion of graduate level coursework, as document by graduate semester units or the equivalent in graduate-level quarter units. To qualify for advancement, these graduate units must be:

- a. Earned at an accredited college or university; and
- b. Reasonably related to the unit member's assignment; or
- c. Reasonably related to educational theory of practice

2) Continuing Education Units (CEU)

The completion of Continuing Education Units ("CEU"). To qualify for advancement, these CEU must be:

- a. Earned at an accredited college or university; and
- b. Reasonably related to the unit member's assignment; or
- c. Reasonably related to educational theory of practice.

Conversion of CEU courses to graduate semester units: CEU courses provided on an official transcript will be accepted as follows:

- Each CEU is the equivalent of 2/3 of a graduate semester unit: or
- If the transcript for the continuing education class does not provide units, then ten (10) hours of CEU class time shall be treated as the equivalent of 2/3 a graduate semester unit.

3. Professional Programs

The completion of a professional program that is approved by GDPSC, and must be either:

- a. Reasonably related to the unit member's assignment, or
- b. Reasonably related to educational theory or practice.

Without receiving approval prior to the start of the program, the units earned may not necessarily qualify for salary advancement.

Within ten (10) work days of receipt of the unit member's request, which shall include:

1. The name of the institution offering the program;
2. The names of the program and the instructor;
3. A description of the program; and

GDPSC Human Resources Department ("HR") shall provide a decision in writing.

If approval for a professional program is denied or a written decision is not provided by HR within ten (10) work days, the unit member may appeal to a joint GDPSC/AMU committee for resolution. This committee shall respond to the appeal in writing within five (5) working days of the committee meeting.

 - a. Group 1 non-tested teachers: 25%
 - b. Group 2 tested teachers: 40%
 - c. Group 3 special education teachers: 20%
2. GDPSC and AMU will continue to research and discuss developing a GDPSC College Readiness Performance-Based Compensation Pay Scale ("Scale"). Because this change would replace the traditional step and column system GDPSC and AMU fully understand the essential need to further develop, study and broadly disseminate/share vital data, in order to be ready to fully accept a new compensation system. For example, GDPSC and AMU agree that more work needs to be done to ensure unit members are confident that all components of the evaluation system are calibrated appropriately

26.6 Unit members who are required to cover classes during the preparation period(s) shall receive compensation at pro rata of the daily substitute rate for each period covered. Members shall record the coverage hours on the appropriate form and submit the form no less frequently than once a month.

26.7 When unit members voluntarily take on a teaching assignment during their preparation period(s), they shall receive compensation at their prorated actual salary rates.

A conference will take place between administration and the member to agree on the basis of support that which is consistent with the collective bargaining agreement. Any agreement not within the boundaries of the contract must be agreed upon by AMU and GDPSC.

26.8 The hourly teacher rate shall be \$45.00 per hour.

Article XXVII – Health Benefits

27.1 GDPSC shall pay all medical, dental, vision, life insurance, long and short-term disability and employee assistance program premiums for AMU members at the rate for Anthem Blue Cross Vivity HMO ("Vivity"). Effective November 1, 2021, unit members may select Anthem Blue Cross Traditional HMO or Kaiser Permanente Southern California Traditional HMO ("Kaiser Permanente") instead of Vivity, but shall pay an amount equal to 11.5% of the cost of the Anthem Blue Cross Traditional HMO for either the Anthem Blue Cross Traditional HMO or Kaiser Permanente. This cost shall be deducted from the unit member's pay on a semi-monthly basis. The parties agree to review the relative costs and benefits offered under the plan with input from the Health Benefits Committee as

described in Articles 27.4 and 27.5 below.

A copy of the Plan Summary shall be available at the Human Resources office.

- 27.2 Effective November 1, 2021, unit members who select the Anthem Blue Cross EPO (“EPO”) shall pay an amount equal to 20.2% of the premium costs of the EPO. Also effective November 1, 2021, unit members who select the Anthem Blue Cross PPO (“PPO”) shall pay an amount equal to 32.6% of the premium costs of the PPO. This cost shall be deducted from the unit member’s pay on a semi-monthly basis.
- 27.3 Unit members electing the PPO option shall have access to a written statement of their maximum monthly contribution to health insurance premiums at the time of their enrollment. If such statement is not made available, GDPSC shall pay the full cost of medical benefits for the unit member regardless of their plan choice.
- 27.4 The Health Benefits Committee shall convene annually by November 1 to review and make recommendations to GDPSC regarding options for health benefits.
- 27.5 AMU shall be entitled to two (2) representatives on the Health Benefits Committee and the following stakeholders shall be offered membership on the Health Benefits Committee: two (2) ACEA representatives; GDPSC’s Chief Operating Officer; GDPSC’s Director of Human Resources; and two (2) school site administrators. The parties may add members to the Benefits Committee as mutually agreed upon by AMU and GDPSC.

- 27.7 Employer-provided health benefits for full-time employees shall commence on the first day following the month in which employment commences, and shall terminate on the last day of the month in which employment terminates.

Article XXVIII – Layoffs

- 28.1 Layoffs may occur at that the end of the year due to programmatic changes or a reduction in funds.
- 28.2 There shall be no layoffs during the school year unless mutually agreed upon by AMU and GDPSC management.
- 28.3 Final notice of any certificated layoffs will be finalized by May 15 of each school year, but may be determined sooner. To the extent possible, preliminary layoff notices will be distributed by March 31. This will allow time for an assessment of any attrition.
- 28.4 The decision as to which teachers are to be laid off at the end of each school year will be based upon the following criteria:

The principal and members of the affected department(s) will meet to review the placement of department members and attempt to make a determination regarding who will be laid off. If they are unable to reach a consensus, the teachers in the affected department(s) will be ranked using the following criteria:

1. Teacher qualifications – (40% weighting)
 - a. Clear single subject teaching credential – 4 points
 - b. Preliminary single subject teaching credential – 3 points

 - i. Masters degree – 4 points
 - ii. Bachelors degree in the subject matter being taught – 3 points
 - iii. Passed CSET in the subject matter being taught – 2 points

 - v. None of the above – 0 points
 - b. Years of experience (15% weighting)

 1. 11+ years – 4 points
 2. 6-10 years – 3 points
 3. 3-5 years – 2 points
 4. 0-2 years – 1 point

- ii. GDPSC teaching experience (9%)
 - 1. 6-10 years – 4 points
 - 2. 3-5 years – 3 points
 - 3. 0-2 years – 2 points

Using the above criteria, an agreed to list (including each teacher subject to layoff and the score associated with that teacher will then be generated. Depending upon the number of positions needed to be reduced, as decided by GDPSC, the lowest scoring teachers will be notified of their potential layoff. If a teacher requests details regarding their scoring or the teacher believes he or she has additional information that was not considered in determining the rankings, such teacher may meet with the Chief Talent Officer or designee, along with an AMU representative to provide any and all written or oral information to contest the scoring.

Layoffs will be carried out by GDPSC on a school by school basis, and as such, any teachers laid off at one school shall not possess any bumping rights as to teachers at other schools.

Teachers selected for layoff will be placed on a reemployment list for a period of twelve (12) months from the decision to layoff, and so long as the teacher remains on that list, such teachers will be notified of any vacant positions at GDPSC schools and will be offered a position that meets the teacher's qualification. Teachers who decline a position will then be removed from the list and would have to reapply for consideration of future employment.

Article XXIX – Assignability of Agreement

- 29.1 This Agreement is assignable.
- 29.2 GDPSC's Board agrees to reasonably involve the Asociación in any decision leading to a corporate merger, affiliation, change of affiliation, employer or transfer of employees. - 29.3 Terms and conditions of the assignment of this Agreement shall be developed with reasonable involvement of the Asociación. Reasonable involvement shall be defined as providing for a meaningful exchange of proposals and counterproposals in writing. GDPSC's Board shall take final action only after such involvement.
- 29.4 The current collective bargaining agreement shall continue in full force and effects subsequent to any actions taken above.

Article XXX – Professional Growth

- 30.1 The parties to this agreement recognize that in order for GDPSC to maintain its organizational vigor and best serve its students it is necessary to develop a systematic, on-going, program of professional growth and development.
- 30.2 The parties further recognize that the professional development of unit members is both a personal and institutional responsibility of the unit members, AMU, GDPSC, and GDPSC's Board.
- 30.3 The parties commit to jointly plan in-service programs that will further professional development of individual unit members and advance the mission of GDPSC. These in-service programs shall include a minimum of six (6) hours of independent preparation and planning time each year prior to the start of the school year.
 - 30.3.1 Not later than thirty (30) days following the commencement of each school year AMU and GDPSC will appoint not less than two (2) representatives each to a committee whose responsibilities shall be to develop in-service activities for that school year. If a site has a counselor, one of the seats in the committee must be offered to a counselor in addition to the other representative selected by AMU and GDPSC.

Teacher Performance Evaluation: Interim Guiding Conference

For step by step admin and teacher guidance, see IGC Explainer PowerPoints on Connect in Teacher Evaluation >>Overview	
PURPOSE	TIMING
The purpose of the IGC is to discuss a teacher’s strengths and areas for growth using the teacher’s historical evaluation data and progress on existing goals, if any, to agree upon several data-driven, CRTF-aligned goals for the following two semesters.	<p>The IGC is to be combined with an Observation Debrief and will add an additional 20-30 minutes to the debrief</p> <ul style="list-style-type: none"> • Group 1 and Group 2 Teachers During one of the first two debriefs of the teacher’s “On Semester” • Group 3 and Group 4 During one of the first two debriefs of the school year
BEFORE THE CONFERENCE	
Administrator Responsibilities	Teacher Responsibilities
<ol style="list-style-type: none"> 1. Schedule the IGCs based on each teacher’s Group number (see Timing section above) on the same day as the debrief you are combining it with 2. Plan to begin the IGC directly after the debrief. 3. Best Practice: Invite the teacher to the IGC meeting at least five working days prior to the meeting. 4. Once you schedule the meeting in Ed Reflect, the teachers will gain access to the Reflection Questions they should answer and then share with you three working days prior to IGC meeting. 5. Review the teacher’s past goals, observation data, evaluation data (if available), and survey data in order to inform the IGC conversation 6. Based on the data, determine the degree to which the teacher has met his/her past goals and be prepared to use the data to discuss your conclusions 7. Read the teacher’s submitted answers to the IGC questions and consider focus areas for this year’s goals 	<ol style="list-style-type: none"> 1. Use past evaluation and observation data to inform your answers to the first two IGC questions and determine the extent to which you have met last year’s goals 2. Using EdReflect, share your answers to the IGC questions three working days prior to the IGC 3. Think about two new, CRTF indicator-aligned goals that you want to work on this year, be prepared to discuss them during the IGC meeting
DURING THE CONFERENCE	
<ul style="list-style-type: none"> • For returning teachers, discuss last year’s goals and the extent to which the teacher met them. These can be found on the post-its of the teacher’s Ed Reflect Home Page. • Discuss the teacher’s submitted answers to questions about their areas of success and challenge • Discuss what goals the teacher would like to set for the upcoming year and how the administrator and teacher can work together to meet these goals. • The administrator should memorialize these answers in Ed Reflect and share with the teacher. 	

- Prior to the end of the meeting, the teacher should copy/paste the shared goals into the Post-Its on his/her Home Page on Ed Reflect and tag them to the appropriate indicators. Adding them to the Post-Its will allow admin to view all their teachers' goals in a Tableau report.

QUESTIONS PRIOR TO AND DURING THE CONFERENCE

Answers to these questions must be submitted three work days prior to the IGC

1. In which indicators are you feeling the most successful and why?
2. In which indicators are you feeling the most challenged and why?

Discuss answers to these questions during the IGC and formalize the answers in writing

3. Based on the challenges you list, what are two goals you have for this school year?*
4. How can we work together to meet these goals?

A teacher has 10 working days from the time of the Summative Conference to submit the Independent Third Rater Submission Form. Forms submitted past the 10 day deadline will not be considered.

Step 1: Fill in the date of the Summative Conference and the date you are submitting the form

Date of Summative Conference :	Date of Submission:

In order for Green Dot to locate an Observation Cycle in EdReflect, we need its unique numerical identifier.

Step 2: Please go to your Observation Cycle in EdReflect and fill in the last 5 digits in the web address below.

Example	https://apps.bloomboard.com/CoachFormalObservations/index/20676	Fill-in your 5 digit EdReflect Observation Number:

Step 3: For up to three indicators, fill in the fields of the chart below. Include the indicator number and language, the evidence collected by the administrator (during the 2 Unscheduled and 1 Scheduled observation), the rating your administrator gave, and the rating you believe the evidence should have received. Next to the ratings, provide your rationale for contesting each indicator’s score. Use the evidence provided and the language of the CRTF as a basis for your rationale. If there is additional scripted evidence (from the Unscheduled and Scheduled Observations) collected by the administrator that you believe should be bucketed for an indicator you are contesting, include it in the Rationale portion of the chart and indicate why you believe it should be added.

Step 4: When the form is complete, make sure to remove identifying information (name, school site) from form. Submit the form via email to the Coordinator of Ed Effectiveness – Julia Fisher at jfisher@greendot.org with “3rd rater request” in the subject line.

FOR SCHOOL YEARS 2022-2023 and 2023-2024**

May 31, 2022

This Side Letter between Green Dot Public Schools California (“GDPSC”) and the Asociación de Maestros Unidos (“AMU,” referred to herein collectively with GDPSC as the “Parties”) is to memorialize an agreement between the Parties regarding the evaluation of unit members for the 2022-2023 and 2023-2024 school years.

RECITALS

WHEREAS, the Parties have been implementing a College Ready Teaching Framework (“CRTF”) aligned multiple measure performance evaluation since 2012; and

WHEREAS, the Parties have historically used Ed Reflect (formally Bloomboard, formally Formative Learning) to implement the Observation element of the multiple measure evaluation; and

WHEREAS; due to numerous factors, in the Fall of 2021, GDPSC provided all teachers who were currently being evaluated the option of continuing or moving into a “coaching year”; and

WHEREAS; the AMU/Management Evaluation Committee, made up of teachers, school leaders, and Home Office staff members, recommended that the Parties adopt an interim evaluation system for the 2021-2022 and 2022-2023 school years that focuses on continuing to build the coaching relationship between school leaders and teachers while holding teachers accountable for student outcomes; and

WHEREAS, the Parties have agreed to extend the timeline for the interim evaluation system to include the 2022-2023 school year.

NOW, THEREFORE, based upon the foregoing, the Parties hereby agree as follows:

AGREEMENT

A. CONTINUED APPLICABILITY OF COLLECTIVE BARGAINING AGREEMENT

Article 21 of the Collective Bargaining Agreement, (“CBA”) between the Parties continues to apply in full force and effect, except as modified by this Side Letter during the 2022-2023 and 2023-2024 school years as follows:

B. THE INTERIM EVALUATION SYSTEM FOR TEACHERS

1. Platform

- a. During the 2021-2022 and 2022-2023 school years, **GDPSC** will use Google docs to capture and store all evidence associated with the Alternative Evaluation System.
- b. GDPSC shall use the “Observation and Coaching Document”, which is attached hereto and incorporated by reference herein as reflected in Appendix “A”, a running record Google Document, created in collaboration with the Evaluation Committee and Negotiation Committee to implement the Proposal.
 - i. The Observation and Coaching Document shall be shared with teachers in the first meeting and remain shared, with teachers having Comment access, for the duration of the year.

2. Observations

- a. All GDPSC teachers will participate in four (4) twenty to thirty (20-30) minute observations (“Observations”) that shall occur throughout the course of the school year. Whenever possible, these Observations shall be spaced out to provide time for implementation of next steps and growth over time.
 - i. While three (3) of the Observations may be unscheduled, at least one (1) Observation will be scheduled at least ten working days in advance of its occurrence.
 - GDPSC shall provide the teacher with scheduling options for observation times. When feasible, the administrator and teacher shall coordinate the time for this Observation.
 - ii. During each Observation, the administrator shall reduce to writing observations of classroom instruction, dialogue and activities related to all observable CRTF indicators (the “script” or “evidence”).
 - iii. Shortly after each Observation, the school leader shall share evidence with the teacher via the Observation and Coaching Document.
- b. Following each Observation, the administrator shall provide the teacher with one-on-one, in-person feedback that includes coaching on the evidence

gathered during the Observation (the “Observation Debrief”).

- i. Whenever possible, this Observation Debrief shall happen within five (5) working days of the Observation.
 - ii. While the administrator’s coaching will be centered on the CRTF, the administrator will not be rating indicators unless the evidence indicates that the teacher is not meeting the standard of an indicator, and if rated, would receive a score of one (1). If this is the case, a specific box in the Observation and Coaching document must be checked by the administrator and the administrator must detail both the evidence used to determine the rating and what coaching/next steps will be provided in order for the teacher to grow in their practice.
- c. If both the administrator and the teacher agree, any Observation following the first one can be preceded by or Debriefed using a Coaching Service. A list of Coaching Services is attached hereto and incorporated by reference herein as reflected in Appendix “B.”
- d. Should the Observation Debrief fail to occur within five (5) work days from the date of the observation, the debrief may be held virtually. Should the debrief not occur within ten (10) work days from the observation, or a mutually agreed time by the teacher and administrator, the administrator shall provide written feedback, including action steps, in the observation and coaching document, described in the Coaching and Evaluation MOU between Green Dot and AMU, dated June 1, 2021, to document a required observation has been completed. If the Observation Debrief includes feedback that a teacher is not meeting the standard (i.e. would have received a “1”) on an indicator the administrator shall make best efforts to hold the in-person or virtual debrief within the 10-day timeline above. Providing only written feedback for an Observation Debrief is only available to unit members two times per school year. If the written feedback includes that the teacher was not meeting the standard (i.e. would have received a “1”) the teacher shall be entitled to, upon request, an in-person or virtual coaching session prior to the next observation. Thereafter, if a unit member and administrator fail to debrief within 10 workdays from the observation, or a mutually agreed time by the teacher and administrator, a new observation must be conducted.

3. Goal Setting

- a. During the first Observation Debrief, the administrator and teacher shall establish two CRTF aligned goals for the year. The teacher is expected to come to the Observation Debrief having drafted measurable goals and the administrator and teacher shall finalize the language during the Observation Debrief.
 - i. The final goals will be entered into the Observation and Coaching document.
- b. Whenever possible, the administrator will capture evidence aligned to the

goals and discuss this evidence during the Observation Debrief.

4. Evidence of Planning

- a. Prior to one scheduled Observation, teachers shall share evidence of lesson planning using student facing lesson materials or a GDPS lesson plan. A lesson plan template is attached hereto and incorporated by reference herein as reflected in Appendix “C.”
- b. During the Observation Debrief, administrators will discuss both the planning materials and the scheduled Observation.
 - i. If the lesson that corresponds to the planning materials is not observed, the planning artifacts may be discussed during the next Observation Debrief.
 - ii. Below is an example of an individual teacher’s Observation cycle.

In this example, Observation #2 was scheduled and the teacher submitted planning artifacts in advance. The Observation and planning artifacts were discussed during the Observation Debrief.

All teachers will participate in four observations prior to their Final Conference. Additional observations and coaching may continue after the Final Conference. They will be recorded in the Observation and Coaching document but will not be included as part of the formal evaluation process. Additional debriefs after the Final Conference may include a video conference option if mutually agreed upon by the teacher and the administrator to address extenuating circumstances that do not allow for an in-person meeting.

5. Applicable Indicators

- a. Teachers and administrators will have access to Domains 1-3 of the 2019-2020 CRTF for coaching purposes. The list of eighteen applicable indicators is below. The CRTF is attached hereto and incorporated by reference herein as reflected in Appendix “D.”

Domain 1	Domain 2	Domain 3
1.1A Scope and sequence 1.1B Data-driven planning 1.2A Selection of learning objectives 1.2B Measurability of learning objectives 1.3A Design and sequence of learning experiences 1.3B Creating cognitively engaging learning experiences for students	2.1A Interactions between teacher and students 2.2A Behavioral expectations and response to behavior 2.3A Routines, procedures and transitions	3.1A Communication of the learning objectives 3.2A Lesson structure 3.2B Cognitive level of student learning experiences 3.3A Questioning 3.3B Academic discourse 3.4A Checking for understanding and feedback

6. Final Conference and Final Designation

- a. The Final Conference shall occur concurrently with the fourth Observation Debrief. In advance of the Final Conference, the school leader will enter areas of strength and growth for Domains 1, 2 and 3 of the CRTF into the Observation and Coaching Document. During the Final Conference the school leader will discuss these areas of strength and growth with the teacher.
- b. During the Final Conference, the school leader will provide the teacher with a designation of “Meets Standard” or “Does Not Meet Standard”.
 - i. The administrator shall not provide individual numerical ratings for indicators unless the evidence indicates that the teacher is not meeting the standard of an indicator, and if rated, would receive a score of one (1).
 - ii. Any teacher who earned a score of one (1) for five (5) or more indicators over the course of the four observations shall receive the designation “Does Not Meet Standard” in their Final Conference.
 - iii. In order to receive a Does Not Meet Standard designation in their Final Conference, a teacher will need to have received coaching on the five (5) specific indicators referenced above and still score a one (1) on these indicators.
 - 1. A teacher in their first or second year of teaching at GDPS can only receive a Does Not Meet Standard designation for one of the indicators listed in the table below:

Domain 1	Domain 2	Domain 3

- c. Final Conference shall be held at least fifteen (15) days prior to the last pupil day of the school year.
- d. After the Final Conference, the school leader will create a PDF of the Observation and Coaching document, share it with the teacher, request a signature and submit it to a folder maintained by GDPS. The PDF will be uploaded to Workday and accessible by teachers within three months.

7. Development Plan

- a. Only teachers with less than two (2) years of service with GDPS may be placed on a Development Plan after three (3) Observations and Debriefs that reveal two (2) or more indicators scoring a 1.0. During the Debrief, the school leader will review the evidence and provide a score of the indicators of concern.
 - i. Any Development Plan or Improvement Plan in place at the end of the 2020-2021 school year will continue in the 2021-2022 school year.

8. Off Year

 - ii. Teachers in an Off year will not receive a designation of meets or does not meet standard during their Final Conference.
- b. Teachers who completed an evaluation cycle in the 2020-21 school year, and have met the criteria for an off year, as defined in the CBA, are eligible for an off year in the 2021-2022 school year.

9. Extenuating Circumstances

- a. Late Hires:
 - i. All teachers hired before March 1 shall receive a rating.
 - ii. If a teacher is hired after March 1, they shall receive a minimum of two Observations and Debriefs but no rating.

- b. Leaves: If a teacher is on a leave in a manner that prohibits the completion of his/her evaluation, the teacher shall not receive a final designation for that school year. In this case, school leaders shall still create a PDF of the progress made on the Observation and Coaching document to send to the teacher and submit to GDPS.
- c. If for any reason, the four (4) Observations and Debriefs are not completed prior to the end of the school year, the teacher will not receive final designations. In this case, school leaders shall still create a PDF of the progress made on the Observation and Coaching document to send to the teacher and submit to GDPS.
- d. If a teacher's instructional context changes as a direct result of COVID and the teacher moves from one educational model to another (e.g. full In-Person to Hybrid or Hybrid to Distance Learning) the school leader shall provide the teacher with ten working days in the new format prior to conducting observations.
- e. Transfer Eligibility: All teachers are eligible to transfer between schools regardless of designation.

D. COUNSELOR PERFORMANCE EVALUATION SCHEDULE AND COUNSELOR GROUP PLACEMENT

1. Counselor Performance Evaluation Schedule

- a. For the 2021-2022 and 2022-2023 school years, counselor performance evaluations shall be conducted consistent with the schedule used during the 2020-2021 school year and described in the graphic inserted below.

2. Counselor Group Placement

- a. All counselors will be placed into one of two groups based upon years of service as a counselor at GDPS. These groups are described in the graphic inserted below.

Group	1	2
Counselors	All counselors in their first, second or third year at GDPS OR A counselor in at least their fourth year at GDPS with the prior school year's Summative Score below a 3.0	All counselors in at least their fourth year at GDPS with the prior school year's Summative Score of 3.0 or above OR A counselor in at least their fourth year at GDPS that was awarded an OFF Year in the prior year.
ON/OFF Years	ON Year only	ON Year if no Summative

- i. Group status shall not change if the counselor does not receive a Summative Score for the current school year.
 - ii. A counselor in Group 2 during the prior school year will remain in Group 2 unless their Summative Score falls below a 3.0 during an ON Year. If a Group 2 counselor’s Summative Score falls below a 3.0, they will be placed in Group 1 for the following year.
 - iii. Any counselor who is returning to a counseling position (after leaving the organization or leaving the counseling position) will be placed in Group 1.
 - iv. During an OFF Year, the counselor and their administrator will have four formal meetings. An individual conference is held in the fall, followed by three Check-Ins, one in the fall and two more in the spring. These four formal meetings do not replace informal meetings between administrators and counselors, including the bi-weekly informal meeting/coaching cadence established at many schools.
3. **Transfer Eligibility:** All counselors are eligible to transfer between schools regardless of designation.
 4. For any provisions of the counselor performance evaluation process not addressed in this Side Letter, all other existing language in the CBA governs and will be utilized.

This Memorandum of Understanding (“MOU”) between Asociación de Maestros Unidos (“AMU”) and Green Dot Public Schools California (“GDPSC,” referred to herein collectively with AMU as the “Parties”) memorializes the establishment of stipend positions available for AMU members. The positions and stipend amounts are attached hereto.

3. This MOU shall become effective upon full execution thereof and, absent a written agreement between the Parties, shall sunset on June 30, 2023.
4. Entire Agreement.
