

AMU Site Representative Council Meeting
January 9th, 2016 – 5:00pm-7:00pm

CTA Bay Valley Service Center:
6095 Bristol Parkway Suite 100
Culver City, CA 90230

Training- 5:00-5:45pm

Defending our Undocumented Students:

- With the incoming administration and threats of deportation, we need to be ready to defend DACA and the most vulnerable in our communities. As educators and counselors, it's our responsibility to create safe welcoming learning environments for all students. Our classrooms and institutions must be safe havens, safe zones, free from threats of deportation, racism and bullying. Today's training will provide you and your site with information and resources needed to support our undocumented communities, take on any attacks on our undocumented youths, and a space to develop ideas on how we can actively collaborate with our school staffs (admin, parent coordinators, etc.) to protect our undocumented communities.
- *Next Steps for EBoard – event to talk about issues, put on agenda to revisit next meeting, individual to talk to us*

Revisiting our Collaboration Statement:

- The AMU Eboard and the GDPSC Management team have revised our collaboration statement based on admin/site rep feedback during our Admin-Site Rep retreat. We will take a few minutes to review and seek additional feedback on our Admin-Site Rep collaboration statement to continually refine it and have a living statement to serve as a springboard between the work we do with management and our admin.
