2021-22 Work Year

The work year for returning teachers and counselors is 194 days.

The work year for new teachers and counselors is 199 days.

Longevity Salary Step Increase

In lieu of a 3.75% annual step increase, teachers and counselors in years 4,8,13 will receive a 5.25% step adjustment

**Teaching credit will be given for teacher-of-record experience under a valid teaching credential/license in public and private schools, grades K-12. Credit for international teaching experience will be granted if international credential/license is proven to be equivalent to domestic credential/license. For teacher-of-record experience without a credential, one year of credit will be given for every two years of experience, up to five years total experience credit*
